For test purposes, no error tolerance will be allowed. If the applicant fails the initial test, a second test will be run, which the applicant must pass to participate in the Program.

(d) To satisfy the requirement for commitment to Program goals, including marketing of flood insurance policies, the applicant will submit information concerning its plans for the WYO Program including plans for the training and support of producers and staff, marketing plans and sales targets, and claims handling and disaster response plans. APPENDIX A TO PART 62—FEDERAL EMERGENCY MANAGEMENT AGENCY, FEDERAL INSURANCE ADMINISTRATION, FINANCIAL ASSISTANCE/SUBSIDY ARRANGEMENT

Purpose: To assist the company in underwriting flood insurance using the Standard Flood Insurance Policy.

Accounting Data: Pursuant to Section 1310 of the Act, a Letter of Credit shall be issued for payment as provided for herein from the National Flood Insurance Fund.

Effective Date: October 1, 2004.

ARTICLE I—FINDINGS, PURPOSE, AND AUTHORITY

Whereas, the Congress in its “Finding and Declaration of Purpose” in the National Flood Insurance Act of 1968, as amended, (“the Act” or “Act”) recognized the benefit of having the National Flood Insurance Program (the “Program” or “NFIP”) “carried out to the maximum extent practicable by the private insurance industry”; and

Whereas the Federal Insurance Administration (FIA) within the Mitigation Division recognizes this Arrangement as coming under the provisions of Section 1345 of the Act (42 U.S.C. 4081); and

Whereas, the goal of the FIA is to develop a program with the insurance industry where, over time, some risk-bearing role for the industry will evolve as intended by the Congress (Section 1304 of the Act (42 U.S.C. 4011)); and

Whereas, the insurer (hereinafter the “Company”) under this Arrangement shall charge rates established by the FIA; and

Whereas, FIA has promulgated regulations and guidance implementing the Act and the Write-Your-Own Program whereby participating private insurance companies act in a fiduciary capacity utilizing Federal funds to sell and administer the Standard Flood Insurance Policies, and has extensively regulated the participating companies’ activities when selling or administering the Standard Flood Insurance Policies; and

Whereas, any litigation resulting from, related to, or arising from the Company’s compliance with the written standards, procedures, and guidance issued by FEMA or FIA arises under the Act, regulations, or FIA guidance, and legal issues thererunder raise a federal question; and

Whereas, through this Arrangement, the Federal Treasury will back all flood policy claim payments by the Company; and

Whereas, this Arrangement has been developed to enable any interested qualified insurer to write flood insurance under its own name; and

Whereas, one of the primary objectives of the Program is to provide coverage to the maximum number of structures at risk and because the insurance industry has marketing access through its existing facilities not directly available to the FIA, it has been concluded that coverage will be extended to those who would not otherwise be insured under the Program; and

Whereas, flood insurance policies issued subject to this Arrangement shall be only that insurance written by the Company in its own name under prescribed policy conditions and pursuant to this Arrangement and the Act; and
Whereas, over time, the Program is designed to increase industry participation, and accordingly, reduce or eliminate Government as the principal vehicle for delivering flood insurance to the public; and

Whereas, the sole parties under this Arrangement are the WYO Companies and the Federal Government.

Now, therefore, the parties hereto mutually undertake the following:

D. Policy Issuance.

2. The Company shall market flood insurance policies in a manner consistent with marketing guidelines established by FIA.

3. The Company shall notify its agents of flood insurance applications and other requirements to which the Company meets the marketing goals for the Arrangement year contained in marketing guidelines established pursuant to Article II.G. We will pay the company the amount of any increase after the end of the Arrangement year.

The Company, with the consent of the Federal Insurance Administrator as to terms and costs, may use the services of a national rating organization, licensed under state law, to help us undertake and carry out such studies and investigations on a community or individual risk basis, and to determine equitable and accurate estimates of flood insurance risk premium rates as authorized under the National Flood Insurance Act of 1968, as amended. We will reimburse the Company for the charges or fees for such services under the provisions of the WYO Accounting Procedures Manual.

Pt. 62, App. A

1. Loss payments under policies of flood insurance shall be made by the Company from Federal funds retained in the bank account(s) established under Article II, Section E, and/or funds derived from Federal funds derived by drawing against the Letter of Credit established pursuant to Article IV.

2. Loss payments include payments as a result of litigation that arises under the scope of this Arrangement, and the Authorities shall not be made, from Federal funds derived by drawing against the Letter of Credit established pursuant to Article IV. If the Federal Insurance Administrator finds that litigation is grounded in actions by the Company that are significantly outside the scope of this Arrangement, and/or involves issues of agent negligence, then the FEMA OCC shall make a recommendation to the Federal Insurance Administrator regarding whether all or part of the litigation is significantly outside the scope of the Arrangement.

3. Limitation on Litigation Costs.
   a. Following receipt of notice of such litigation, the FEMA Office of the Chief Counsel (“OCC”) shall review the information submitted. If the FEMA OCC finds that the litigation is grounded in actions by the Company that are significantly outside the scope of this Arrangement, the Company must comply with the litigation documentation and notification requirements established by FEMA. Failure to meet these requirements may result in the Federal Insurance Administrator’s decision not to provide reimbursement.
   b. In the event a question arises whether any part of a litigation is reimbursable, the FEMA OCC shall make a recommendation to the Federal Insurance Administrator about the appropriate division of responsibility, if possible.
   c. In the event a question arises whether any part of a litigation is reimbursable, the FEMA OCC shall make a recommendation to the Federal Insurance Administrator about the appropriate division of responsibility, if possible.
   d. In the event that the Company wishes to petition for reconsideration of the determination that it will not be reimbursed for any part of the award or judgment or any part of the costs expended to defend such litigation made under Article III, Section D.1.a-c, it may do so by mailing, within thirty (30) days of the notice that reimbursement will not be made, a written petition to the Federal Insurance Administrator, who may request advice on other than legal matters of the WYO Standards Committee established under the WYO Financial Control Plan. The WYO Standards Committee will consider the request at its next regularly scheduled meeting or at a special meeting called for that purpose by the Chairman and issue a written recommendation to the Federal Insurance Administrator. The Federal Insurance Administrator’s final determination will be made in writing within a reasonable time to the Company.

E. Premium refunds to applicants and policyholders required pursuant to rules contained in the National Flood Insurance Program (NFIP) “Flood Insurance Manual” shall be made by the Company from Federal flood insurance funds referred to in Article II, Section E, and, if such funds are depleted, from funds derived by drawing against the Letter of Credit established pursuant to Article IV. As fiscal agent, the Company shall not refund any premium or policyholders not refund any premium to applicants or policyholders in any manner other than as specified in the NFIP’s “Flood Insurance Manual” since flood insurance premiums are funds of the Federal Government.

ARTICLE IV—UNTERKAUNS OF THE GOVERNMENT

A. Letter(s) of Credit shall be established by the Federal Emergency Management Agency (FEMA) against which the Company may withdraw funds daily, if needed, pursuant to prescribed procedures implemented by FEMA. The amounts of the authorizations will be increased as necessary to meet the obligations of the Company under Article III, Sections C, D, and E. Request for funds shall be made only when net premium income has been depleted. The timing and amount of cash advances shall be as close as is administratively feasible to the actual disbursements by the recipient organization for allowable Letter of Credit expenses.

Request for payment on Letters of Credit shall not not ordinarily be drawn more frequently than daily nor in amounts less than $5,000, and in no case more than $5,000,000 unless so stated on the Letter of Credit. This Letter of Credit may be drawn by the Company for any of the following reasons:

1. Payment of claim as described in Article III, Section D;
2. Refunds to applicants and policyholders for insurance premium overpayment if the application for insurance is rejected or when cancellation or endorsement of a policy results in a premium refund as described in Article III, Section E; and
3. Allocated and unallocated Loss Adjustment Expenses as described in Article III, Section C.

B. The FIA shall provide technical assistance to the Company as follows:

1. The FIA’s policy and history concerning underwriting and claims handling;
2. A mechanism to assist in clarification of coverage and claims questions;
3. Other assistance as needed.
ARTICLE V—COMMENCEMENT AND TERMINATION

A. The initial period of this Arrangement is from October 1, 2004 through September 30, 2005. Thereafter the Arrangement will be effective on an annual basis for the period October 1 through September 30. The FIA shall provide financial assistance only for policy applications and endorsements accepted by the Company during this period pursuant to the Program’s effective date, underwriting and eligibility rules.

B. Each year, the FIA shall publish in the FEDERAL REGISTER and make available to the Company the terms for subscription or re-subscription to this Financial Assistance/Subsidy Arrangement. The Company shall notify the FIA of its intent to re-subscribe or not re-subscribe within thirty days of publication.

C. In order to assure uninterrupted service to policyholders, the Company shall promptly notify the FIA in the event the Company elects not to participate in the Program during the Arrangement year. If so notified, or if the FIA chooses not to renew the Company’s participation, the FIA, at its option, may require the continued performance of all or selected elements of this Arrangement for the period required for orderly transfer or cessation of business and settlement of accounts, not to exceed 18 months, and may either require Article V.C.1 or allow Article V.C.2.

1. The delivery to the FIA of:
   a. A plan for the orderly transfer to the FIA of any continuing responsibilities in administering the policies issued by the Company under the Program including provisions for coordination assistance; and
   b. All data received, produced, and maintained through the life of the Company’s participation in the Program, including certain data, as determined by FIA, in a standard format and medium; and
   c. All claims and policy files, including those pertaining to receipts and disbursements that have occurred during the life of each policy. In the event of a transfer of the services provided, the Company shall provide the FIA with a report showing, on a policy basis, any amounts due from or payable to insureds, agents, brokers, and others as of the transition date; and
   d. All funds in its possession with respect to any policies transferred to FIA for administration and the unearned expenses retained by the Company.

2. Submission of plans for the renewal of the business by another WYO Company or Companies or the submission of detailed plans for another WYO Company to assume responsibility for the Company’s NFIP policies. Such plans shall assure uninterrupted service to policyholders and shall be accompanied by a formal request for FIA approval of such transfers.

D. Financial assistance under this Arrangement may be canceled by the FIA in its entirety upon thirty (30) days written notice to the Company by certified mail stating one of the following reasons for such cancellation: (i) Fraud or misrepresentation by the Company subsequent to the inception of the Arrangement; or (ii) Nonpayment to the FIA of any amount due the FIA; or (iii) Material failure to comply with the requirements of this Arrangement or with the written standards, procedures, or guidance issued by FEMA or FIA relating to the NFIP and applicable to the Company. Under these specific conditions, the FIA may require the transfer of administrative responsibilities and the transfer of data and records as provided in Article V, Section C.1.a through d. If transfer is required, the unearned expenses retained by the Company shall be remitted to the FIA. In such event, the Government will assume all obligations and liabilities owed to policyholders under such policies, arising before and after the date of transfer.

As an alternative to transfer of the policies to the Government, the FIA will consider a proposal, if it is made by the Company, for the assumption of responsibilities by another WYO Company as provided in Article V, Section C.2.

E. In the event that the Company is unable or otherwise fails to carry out its obligations under this Arrangement by reason of any order or directive duly issued by the Department of Insurance of any jurisdiction to which the Company is subject, the Company agrees to transfer, and the Government will accept, any and all WYO policies issued by the Company and in force as of the date of such inability or failure to perform. In such event the Government will assume all obligations and liabilities within the scope of the Arrangement owed to policyholders arising before and after the date of transfer, and the Company will immediately transfer to the Government all needed records and data and all funds in its possession with respect to all such policies transferred and the unearned expenses retained by the Company. As an alternative to transfer of the policies to the Government, the FIA will consider a proposal, if it is made by the Company, for the assumption of responsibilities by another WYO Company as provided by Article V, Section C.2.

F. In the event the Act is amended, or repealed, or expires, or if the FIA is otherwise without authority to continue the Program, financial assistance under this Arrangement may be canceled for any new or renewal business, but the Arrangement shall continue for policies in force that shall be allowed to run their term under the Arrangement.
ARTICLE VI—INFORMATION AND ANNUAL STATEMENTS
The Company shall furnish to FEMA such summaries and analyses of information including claim file information, and property address, location, and/or site information in its records as may be necessary to carry out the purposes of the National Flood Insurance Act of 1968, as amended, in such form as the FIA, in cooperation with the Company, shall prescribe. The Company shall be a property/casualty insurer domiciled in a State or territory of the United States. Upon request, the Company shall file with the FIA a true and correct copy of the Company’s Fire and Casualty Annual Statement, and Insurance Expense Exhibit or amendments thereof as filed with the State Insurance Authority of the Company’s domiciliary State.

ARTICLE VII—CASH MANAGEMENT AND ACCOUNTING
A. FEMA shall make available to the Company during the entire term of this Arrangement and any continuation period required by FIA pursuant to Article V, Section C., the Letter of Credit provided for in Article IV drawn on a repository bank within the Federal Reserve System upon which the Company may draw for reimbursement of its expenses as set forth in Article IV that exceed net written premiums collected by the Company from the effective date of this Arrangement or continuation period to the date of the draw. In the event that adequate Letter of Credit funding is not available to meet current Company obligations for flood policy claim payments issued, FIA shall direct the Company to immediately suspend the issuance of loss payments until such time as adequate funds are available. The Companies are not required to pay claims from their own funds in the event of such suspension.

B. The Company shall remit all funds, including interest, not required to meet current expenditures to the United States Treasury, in accordance with the provisions of the WYO Accounting Procedures Manual or procedures approved in writing by the FIA.

C. In the event the Company elects not to participate in the Program in this or any subsequent fiscal year, or is otherwise unable or not permitted to participate, the Company and FIA shall make a provisional settlement of all amounts due or owing within three months of the expiration or termination of this Arrangement. This settlement shall include net premiums collected, funds drawn on the Letter of Credit, and reserves for outstanding claims. The Company and FIA agree to make a final settlement, subject to audit, of accounts for all obligations arising from this Arrangement within 18 months of its expiration or termination, except for contingent liabilities that shall be listed by the Company. At the time of final settlement, the balance, if any, due the FIA or the Company shall be remitted by the other immediately and the operating year under this Arrangement shall be closed.

ARTICLE VIII—ARBITRATION
If any misunderstanding or dispute arises between the Company and the FIA with reference to any factual issue under any provisions of this Arrangement or with respect to the FIA’s non-renewal of the Company’s participation, other than as to legal liability under or interpretation of the standard flood insurance policy, such misunderstanding or dispute may be submitted to arbitration for a determination that shall be binding upon approval by the FIA. The Company and the FIA may agree on and appoint an arbitrator who shall investigate the subject of the misunderstanding or dispute and make a determination. If the Company and the FIA cannot agree on the appointment of an arbitrator, then two arbitrators shall be appointed, one to be chosen by the Company and one by the FIA.

The two arbitrators so chosen, if they are unable to reach an agreement, shall select a third arbitrator who shall act as umpire, and such umpire’s determination shall become final only upon approval by the FIA.

The Company and the FIA shall bear in equal shares all expenses of the arbitration. Findings, proposed awards, and determinations resulting from arbitration proceedings carried out under this section, upon objection by FIA or the Company, shall be inadmissible as evidence in any subsequent proceedings in any court of competent jurisdiction.

This Article shall indefinitely succeed the term of this Arrangement.

ARTICLE IX—ERRORS AND OMISSIONS
In the event of negligence by the Company that has not resulted in litigation but has resulted in a claim against the Company, FEMA will not consider reimbursement of the Company for costs incurred due to that negligence unless the Company takes all reasonable actions to rectify the negligence and to mitigate any such costs as soon as possible after discovery of the negligence. Further, (i) if the claim against the Company is grounded in actions significantly outside the scope of this Arrangement or (ii) if there is negligence by the agent, FEMA will not reimburse any costs incurred due to that negligence. The Company will be notified in writing within thirty (30) days of a decision not to reimburse. In the event the Company wishes to petition for reconsideration of the decision not to reimburse, the procedure in Article III, Section D.3.d shall apply.

However, in the event that the Company has made a claim payment to an insured
without including a mortgagee (or trustee) of which the Company had actual notice prior to making payment, and subsequently determines that the mortgagee (or trustee) is also entitled to any part of said claim payment, any additional payment shall not be paid by the Company from any portion of the premium and any funds derived from any Federal Letter of Credit deposited in the bank account described in Article II, section E. In addition, the Company agrees to hold the Federal Government harmless against any claim asserted against the Federal Government by any such mortgagee (or Trustee), as described in the preceding sentence, by reason of any claim payment made to any insured under the circumstances described above.

ARTICLE X—OFFICIALS NOT TO BENEFIT

No Member or Delegate to Congress, or Resident Commissioner, shall be admitted to any share or part of this Arrangement, or to any benefit that may arise therefrom; but this provision shall not be construed to extend to this Arrangement if made with a corporation for its general benefit.

ARTICLE XI—OFFSET

At the settlement of accounts the Company and the FIA shall have, and may exercise, the right to offset any balance or balances, whether on account of premiums, commissions, losses, loss adjustment expenses, salvage, or otherwise due one party to the other, its successors or assigns, hereunder or under any other Arrangements heretofore or hereafter entered into between the Company and the FIA. This right of offset shall not be affected or diminished because of insolvency of the Company.

All debts or credits of the same class, whether liquidated or unliquidated, in favor of or against either party to this Arrangement on the date of entry, or any order of conservation, receivership, or liquidation, shall be deemed to be mutual debts and credits and shall be offset with the balance only to be allowed or paid. No offset shall be allowed where a conservator, receiver, or liquidator has been appointed and where an obligation was purchased by or transferred to a party hereunder to be used as an offset.

Although a claim on the part of either party against the other may be unliquidated or undetermined in amount on the date of the entry of the order, such claim will be regarded as being in existence as of the date of such order and any credits or claims of the same class then in existence and held by the other party may be offset against it.

ARTICLE XII—EQUAL OPPORTUNITY

The Company shall not discriminate against any applicant for insurance because of race, color, religion, sex, age, handicap, marital status, or national origin.

ARTICLE XIII—RESTRICTION ON OTHER FLOOD INSURANCE

As a condition of entering into this Arrangement, the Company agrees that in any area in which the Federal Insurance Administrator authorizes the purchase of flood insurance pursuant to the Program, all flood insurance offered and sold by the Company to persons eligible to buy pursuant to the Program for coverages available under the Program shall be written pursuant to this Arrangement.

However, this restriction applies solely to policies providing only flood insurance. It does not apply to policies provided by the Company of which flood is one of the several perils covered, or where the flood insurance coverage amount is over and above the limits of liability available to the insured under the Program.

ARTICLE XIV—ACCESS TO BOOKS AND RECORDS

The FIA and the Comptroller General of The United States, or their duly authorized representatives, for the purpose of investigation, audit, and examination shall have access to any books, documents, papers and records of the Company that are pertinent to this Arrangement. The Company shall keep records that fully disclose all matters pertinent to this Arrangement, including premiums and claims paid or payable under policies issued pursuant to this Arrangement. Records of accounts and records relating to financial assistance shall be retained and available for three (3) years after final settlement of accounts, and to financial assistance, three (3) years after final adjustment of such claims. The FIA shall have access to policyholder and claim records at all times for purposes of the review, defense, examination, adjustment, or investigation of any claim under a flood insurance policy subject to this Arrangement.

ARTICLE XV—COMPLIANCE WITH ACT AND REGULATIONS

This Arrangement and all policies of insurance issued pursuant thereto shall be subject to the provisions of the National Flood Insurance Act of 1968, as amended, the Flood Disaster Protection Act of 1973, as amended, the National Flood Insurance Reform Act of 1994, and Regulations issued pursuant thereto and all Regulations affecting the work that are issued pursuant thereto, during the term hereof.
ARTICLE XVI—RELATIONSHIP BETWEEN THE PARTIES (FEDERAL GOVERNMENT AND COMPANY) AND THE INSURED

Inasmuch as the Federal Government is a guarantor hereunder, the primary relationship between the Company and the Federal Government is one of a fiduciary nature, i.e., to assure that any taxpayer funds are accounted for and appropriately expended. The Company is a fiscal agent of the Federal Government, but is not a general agent of the Federal Government. The Company is solely responsible for its obligations to its insured under any policy issued pursuant hereto, such that the Federal Government is not a proper party to any lawsuit arising out of such policies.

ADDENDUM TO APPENDIX A TO PART 62—FEDERAL EMERGENCY MANAGEMENT AGENCY, FEDERAL INSURANCE AND MITIGATION ADMINISTRATION, FINANCIAL ASSISTANCE/SUBSIDY ARRANGEMENT

NOTE: This Addendum to Appendix A to Part 62 applies only to a public entity risk-sharing organization, an association of local governments, a State association of political subdivisions, a State-sponsored municipal league, and any other intergovernmental risk-sharing pool for covering public entity structures participating in the pilot project established in §62.24(b) that permits intergovernmental risk-sharing pools to provide flood insurance to public entities to cover public buildings.

(1) “Company” in the preceding Arrangement includes “a public entity risk-sharing organization, an association of local governments, a State association of political subdivisions, a State-sponsored municipal league, and any other intergovernmental risk-sharing pool for covering public entity structures.”

(2) The references to “marketing guidelines” in Article II—Undertaking of the Company and to “marketing goals” in Article III—Loss Costs, Expenses, Expense Reimbursement, and Premium Refunds shall apply only to the private insurance companies participating in the WYO program.

APPENDIX B TO PART 62—NATIONAL FLOOD INSURANCE PROGRAM

A PLAN TO MAINTAIN FINANCIAL CONTROL FOR BUSINESS WRITTEN UNDER THE WRITE YOUR OWN PROGRAM

(a) In general. Under the Write Your Own (WYO) Program, we (the Federal Insurance Administration (FIA), Federal Emergency Management Agency (FEMA)) may enter into an arrangement with individual private sector insurance companies licensed to engage in the business of property insurance. The arrangement allows these companies—using their customary business practices—to offer flood insurance coverage to eligible property owners. To assist companies in marketing flood insurance coverage, the Federal Government will be a guarantor of flood insurance coverage for WYO policies issued under the WYO Arrangement. To account for and ensure appropriate spending of any taxpayer funds, the WYO companies and we will implement this Financial Control Plan (Plan). Only the Federal Insurance Administrator may approve any departures from the requirements of this Plan.

(b) Financial Control Plan. (1) The WYO Companies are subject to audit, examination, and regulatory controls of the various States. Additionally, the operating department of an insurance company is customarily subject to examinations and audits performed by the company’s internal audit or quality control departments, or both, and independent Certified Public Accountant (CPA) firms. This Plan will use to the extent possible the findings of these examinations and audits as they pertain to business written under the WYO Program.

(2) This Plan contains several checks and balances that can, if properly implemented by the WYO Company, significantly reduce the need for extensive on-site reviews of the Company’s files by us or our designee. Furthermore, we believe that this process is consistent with customary reinsurance practices and avoids duplication of examinations performed under the auspices of individual State Insurance Departments, NAIC Zone examinations, and independent CPA firms.

(c) Standards Committee established. (1) We establish in this Plan a Standards Committee for the WYO Program to oversee the performance of WYO companies under this Plan and to recommend appropriate remedial actions to the Federal Insurance Administrator. The Standards Committee will review and recommend to the Federal Insurance Administrator remedies for any adverse action arising from the implementation of the Financial Control Plan. Adverse actions include, but are not limited to, not renewing a particular company’s WYO Arrangement.
