

§ 208.37 Reimbursement for equipment and supply costs incurred during Activation.

(a) *Allowable costs.* DHS will reimburse costs incurred for the emergency procurement of equipment and supplies in the number, type, and up to the cost specified in the current approved Equipment Cache List, and up to the aggregate dollar limit specified in the Activation Order. The Assistant Administrator may determine emergency procurement dollar limits, taking into account previous Activation history, available funding, the extent and nature of the incident, and the current state of Task Force readiness.

(b) *Non-Allowable costs.* DHS will not reimburse costs incurred for items that are not listed on the Equipment Cache List; for items purchased greater than the cost or quantity identified in the Equipment Cache List; or for any purchase of non-expendable items that duplicate a previous purchase under a Preparedness or Response Cooperative Agreement.

§ 208.38 Reimbursement for re-supply and logistics costs incurred during Activation.

With the exception of emergency procurement authorized in the Activation Order, and replacement of consumable items provided for in § 208.43(a)(2) of this subpart, DHS will not reimburse costs incurred for re-supply and logistical support during Activation. Re-supply and logistical support of Task Forces needed during Activation are the responsibility of the Joint Management Team.

§ 208.39 Reimbursement for personnel costs incurred during Activation.

(a) *Compensation.* DHS will reimburse the Sponsoring Agency for costs incurred for the compensation of each Activated System Member during Activation. Reimbursement of compensation costs for Activated Support Specialists will be limited to periods of time during which they were actively supporting the Activation or traveling to or from locations at which they were actively supporting the Activation. The provisions of § 208.40 of this part govern costs incurred for pro-

viding fringe benefits to System Members.

(b) *Public Safety Exemption not applicable.* DHS will reimburse Sponsoring Agencies for costs incurred by Non-Exempt System Members in accordance with 29 U.S.C. 207(a) of the Fair Labor Standards Act, without regard to the public safety exemption contained in 29 U.S.C. 207(k). In other words, DHS will reimburse Sponsoring Agencies on an overtime basis for any hours worked by Non-Exempt System Members greater than 40 hours during a regular workweek.

(c) *Tour of duty.* The tour of duty for all Activated System Members will be 24 hours. DHS will reimburse the Sponsoring Agency for salary and overtime costs incurred in compensating System Members for meal periods and regularly scheduled sleep periods during Activation. Activated System Members are considered “on-duty” and must be available for immediate response at all times during Activation.

(d) *Regular rate.* The regular rate for purposes of calculating allowable salary and overtime costs is the amount determined in accordance with § 208.39(e)(1) through (3) of this subpart.

(e) *Procedures for calculating compensation during Activation.* A Sponsoring Agency or Participating Agency must:

(1) Convert the base hourly wage of any Non-Exempt System Member regularly paid under 29 U.S.C. 207(k) to its equivalent for a 40-hour work week;

(2) Convert the annual salary of any salaried Non-Exempt System Member to its hourly equivalent for a 40-hour workweek;

(3) Calculate the daily compensation of Exempt System Members based on their current annual salary, exclusive of fringe benefits;

(4) Calculate the total number of hours worked by each System Member to be included in the Sponsoring Agency’s request for reimbursement; and

(5) Submit a request for reimbursement under § 208.52 of this part according to the following table:
