Federal Emergency Management Agency, DHS

§ 321.2 Selection of the mobilization base.

(a) The Department of Defense shall select, for its mobilization base, facilities which produce or are capable of producing critically important military items or components (military class A components used entirely in the production, maintenance, or repair of military items) which meet one of the following:

(1) Those items which would be so urgent to the defense of this country that utmost effort must be exerted to produce them even in case of general war involving severe damage to the facilities necessary to produce these items and the components thereof.

(2) Those items essential to survival and retaliation, maintenance of health, or combat efficiency required to support peripheral war and which meet one or more of the following criteria:

321.5 Retention of industrial facilities.
321.6 Participation of small business.
321.7 [Reserved]
321.8 Reports.
