(a) All information classified by FEMA under E.O. 12356 or predecessor orders shall be subject to a review for declassification if such a review is requested by a United States citizen or permanent resident alien, a Federal agency or a State or local government.

(b) Requests for declassification review shall be submitted to the Security Division, Federal Emergency Management Agency, Washington, DC 20472. (c) If within 30 days the requestor does not respond to the agency's request for clarification or additional information, the FEMA Security Division shall notify the requestor that no further action can be taken on the request. If the requestor's response to the agency's request for clarification and/or additional information is inadequate, the Office of Security shall notify him or her that no further action will be taken until such time as the agency is provided with adequate information concerning the request. In addition, the agency's response will set forth the agency's explanation of the deficiencies of the request.
