

## § 262.2

(a)(7) of this section by reducing the SFAG payable for the quarter that immediately follows our final decision.

(2) We will take the penalties specified in paragraphs (a)(3), (a)(4), (a)(5), (a)(6), (a)(8), (a)(9), (a)(10), (a)(11), (a)(12), (a)(13), (a)(14), and (a)(15) of this section by reducing the SFAG payable for the fiscal year that immediately follows our final decision.

(d) When imposing the penalties in paragraph (a) of this section, the total reduction in an affected State's quarterly SFAG amount must not exceed 25 percent. If this 25-percent limit prevents the recovery of the full penalty amount imposed on a State during a quarter or a fiscal year, as appropriate, we will apply the remaining amount of the penalty to the SFAG payable for the immediately succeeding quarter until we recover the full penalty amount.

(e)(1) In the immediately succeeding fiscal year, a State must expend additional State funds to replace any reduction in the SFAG resulting from penalties.

(2) The State must document compliance with this replacement provision on its TANF Financial Report (or Territorial Financial Report).

### § 262.2 When do the TANF penalty provisions apply?

(a) A State will be subject to the penalties specified in § 262.1(a)(1), (2), (7), (8), (9), (10), (11), (12), (13), and (14) for conduct occurring on and after the first day the State operates the TANF program.

(b) A State will be subject to the penalties specified in § 262.1(a)(3), (4), (5), and (6) for conduct occurring on and after July 1, 1997, or the date that is six months after the first day the State operates the TANF program, whichever is later.

(c) For the time period prior to October 1, 1999, we will assess State conduct as specified in § 260.40(b) of this chapter.

(d) The penalty specified in § 262.1(a)(15) takes effect on October 1, 2006, for failure to establish work participation verification procedures and

### § 262.3 How will we determine if a State is subject to a penalty?

(a)(1) We will use the single audit under OMB Circular A–133, in conjunction with other reviews, audits, and data sources, as appropriate, to determine if a State is subject to a penalty for misusing Federal TANF funds (§ 263.10 of this chapter), intentionally misusing Federal TANF funds (§ 263.12 of this chapter), failing to participate in IEVS (§ 264.10 of this chapter), failing to comply with paternity establishment and child support requirements (§ 264.31 of this chapter), failing to maintain assistance to an adult single custodial parent who cannot obtain child care for a child under 6 (§ 261.57 of this chapter), failing to reduce assistance to a recipient who refuses without good cause to work (§ 261.54 of this chapter), and after October 1, 2007 failing to comply with work participation verification procedures (§ 261.64 of this chapter).

(2) We will also use the single audit as a secondary method of determining if a State is subject to other penalties if an audit detects lack of compliance in other penalty areas.

(b)(1) We will use the TANF Data Report required under part 265 of this chapter to determine if a State failed to meet participation rates (§§ 261.21 and 261.23 of this chapter) or failed to comply with the five-year limit on Federal assistance (§ 264.1 of this chapter).

(2) Data in these reports are subject to our verification in accordance with § 265.7 of this chapter.

(c)(1) We will use the TANF Financial Report (or, as applicable, the Territorial Financial Report) as the primary method for determining if a State has failed to meet the basic MOE requirement (§ 263.8 of this chapter), meet the Contingency Fund MOE requirement (§ 264.76 of this chapter), or replace SFAG reductions with State-only funds (§ 264.50 of this chapter).

(2) Data in these reports are subject to our verification in accordance with § 265.7 of this chapter.

(d) We will determine that a State is subject to the specific penalties for failure to perform if we find information in the reports under paragraphs (b) and (c) of this section to be insufficient to show compliance or if we determine that the State has not adequately documented actions verifying that it has met the participation rates or the time limits.

(e) To determine if a State has met its MOE requirements, we will also use the supplemental information in the annual report required in accordance with § 265.9(c) of this chapter.

(f) States must maintain records in accordance with § 92.42 of this title.

**§ 262.4 What happens if we determine that a State is subject to a penalty?**

(a) If we determine that a State is subject to a penalty, we will notify the State agency in writing, specifying which penalty we will impose and the reasons for the penalty. This notice will:

(1) Specify the penalty provision at issue, including the penalty amount;

(2) Specify the source of information and the reasons for our decision;

(3) Invite the State to present its arguments if it believes that the information or method that we used were in error or were insufficient or that its actions, in the absence of Federal regulations, were based on a reasonable interpretation of the statute; and

(4) Explain how and when the State may submit a reasonable cause justification under § 262.5 and/or corrective compliance plan under § 262.6.

(b) Within 60 days of when it receives our notification, the State may submit a written response that:

(1) Demonstrates that our determination is incorrect because our information or the method that we used in determining the violation or the amount of the penalty was in error or was insufficient, or that the State acted, in the absence of Federal rules, on a reasonable interpretation of the statute;

(2) Demonstrates that the State had reasonable cause for failing to meet the requirement(s); and/or

(3) Provides a corrective compliance plan, pursuant to § 262.6.

(c) If we find that we determined the penalty erroneously, or that the State has adequately demonstrated that it had reasonable cause for failing to meet one or more requirements, we will not impose the penalty.

(d) Reasonable cause and corrective compliance plans are not available for failing to repay a Federal loan; meet the basic MOE requirement; meet the Contingency Fund MOE requirement; expend additional State funds to replace adjusted SFAG reductions due to the imposition of one or more penalties listed in § 262.1; or maintain 80 percent, or 75 percent, as appropriate, basic MOE during a year in which the State receives a Welfare-to-Work grant.

(e)(1) If we request additional information from a State that we need to determine reasonable cause, the State must ordinarily provide such information within 30 days.

(2) Under unusual circumstances, we may give the State an extension of the time to respond to our request.

(f)(1)(i) We will notify the State in writing of our findings with respect to reasonable cause generally within 60 days of the date when we receive its response to our penalty notice (in accordance with paragraph (b) of this section).

(ii) If the finding is negative and the State has not yet submitted a corrective compliance plan, it may do so in response to this notice in accordance with § 262.6.

(2) We will notify the State of our decision regarding its corrective compliance plan in accordance with the provisions of § 262.6(g).

(g) We will impose a penalty in accord with the provisions in § 262.1(c) after we make our final decision and the appellate process is completed, if applicable. If there is an appellate decision upholding the penalty, we will take the penalty and charge interest back to the date that we formally notified the Governor of the adverse action pursuant to § 262.7(a)(1).

**§ 262.5 Under what general circumstances will we determine that a State has reasonable cause?**

(a) We will not impose a penalty against a State if we determine that the State had reasonable cause for its
