Subpart A—What Rules Apply to a State's Maintenance of Effort?

§ 263.1 How much State money must a State expend annually to meet the basic MOE requirement?

(a)(1) The minimum basic MOE for a fiscal year is 80 percent of a State's historic State expenditures.

(2) However, if a State meets the minimum work participation rate requirements in a fiscal year, as required under §§ 261.21 and 261.23 of this chapter, after adjustment for any caseload reduction credit under § 261.41 of this chapter, then the minimum basic MOE for that fiscal year is 75 percent of the State's historic State expenditures.

(3) A State that does not meet the minimum participation rate requirements in a fiscal year, as required under §§ 261.21 and 261.23 of this chapter (after adjustment for any caseload reduction credit under § 261.41 of this chapter), but which is granted full or partial penalty relief for that fiscal year, must still meet the minimum basic MOE specified under paragraph (a)(1) of this section.

(b) The basic MOE level also depends on whether a Tribe or consortium of Tribes residing in a State has received approval to operate its own TANF program. The State's basic MOE level for a fiscal year will be reduced by the same percentage as we reduced the SFAG as the result of any Tribal Family Assistance Grants awarded to Tribal grantees in the State for that year.

§ 263.2 What kinds of State expenditures count toward meeting a State's basic MOE expenditure requirement?

(a) Expenditures of State funds in TANF or separate State programs may count if they are made for the following types of benefits or services:

(1) Cash assistance, including the State's share of the assigned child support collection that is distributed to the family, and disregarded in determining eligibility for, and amount of the TANF assistance payment;

(2) Child care assistance (see § 263.3);

(3) Education activities designed to increase self-sufficiency, job training, and work (see § 263.4);

(4) Any other use of funds allowable under section 404(a)(1) of the Act including:

(i) Nonmedical treatment services for alcohol and drug abuse and some medical treatment services (provided that the State has not commingled its MOE funds with Federal TANF funds to pay for the services), if consistent with the goals at § 260.20 of this chapter; and

(ii) Pro-family healthy marriage and responsible fatherhood activities enumerated in part IV–A of the Act, sections 403(a)(2)(A)(iii) and 403(a)(2)(C)(ii) that are consistent with the goals at §§ 260.20(c) or (d) of this chapter, but do not constitute “assistance” as defined in § 260.31(a) of this chapter; and

(5)(i) Administrative costs for activities listed in paragraphs (a)(1) through (a)(4) of this section, not to exceed 15 percent of the total amount of countable expenditures for the fiscal year.

(ii) Costs for information technology and computerization needed for tracking or monitoring required by or under part IV–A of the Act do not count towards the limit in paragraph (5)(i) of this section, even if they fall within the definition of “administrative costs.”

(A) This exclusion covers the costs for salaries and benefits of staff who develop, maintain, support, or operate the portions of information technology or computer systems used for tracking and monitoring.

(B) It also covers the costs of contracts for the development, maintenance, support, or operation of those portions of information technology or computer systems used for tracking or monitoring.

(b) With the exception of paragraph (a)(4)(ii) of this section, the benefits or services listed under paragraph (a) of this section count only if they have been provided to or on behalf of eligible families. An “eligible family” as defined by the State, must:

(1) Be comprised of citizens or non-citizens who:

(i) Are eligible for TANF assistance;

(ii) Would be eligible for TANF assistance, but for the time limit on the
