Subpart A—What Rules Apply to a State's Maintenance of Effort?

§ 263.1 How much State money must a State expend annually to meet the basic MOE requirement?

(a)(1) The minimum basic MOE for a fiscal year is 80 percent of a State's historic State expenditures.

(2) However, if a State meets the minimum work participation rate requirements in a fiscal year, as required under §§ 261.21 and 261.23 of this chapter, after adjustment for any caseload reduction credit under § 261.41 of this chapter, then the minimum basic MOE for that fiscal year is 75 percent of the State's historic State expenditures.

(3) A State that does not meet the minimum participation rate requirements in a fiscal year, as required under §§ 261.21 and 261.23 of this chapter (after adjustment for any caseload reduction credit under § 261.41 of this chapter), but which is granted full or partial penalty relief for that fiscal year, must still meet the minimum basic MOE specified under paragraph (a)(1) of this section.

(b) The basic MOE level also depends on whether a Tribe or consortium of Tribes residing in a State has received approval to operate its own TANF program. The State's basic MOE level for a fiscal year will be reduced by the same percentage as we reduced the SFAG as the result of any Tribal Family Assistance Grants awarded to Tribal grantees in the State for that year.

§ 263.2 What kinds of State expenditures count toward meeting a State's basic MOE expenditure requirement?

(a) Expenditures of State funds in TANF or separate State programs may count if they are made for the following types of benefits or services:

(1) Cash assistance, including the State's share of the assigned child support collection that is distributed to the family, and disregarded in determining eligibility for, and amount of the TANF assistance payment;

(2) Child care assistance (see § 263.3);

(3) Education activities designed to increase self-sufficiency, job training, and work (see § 263.4);

(4) Any other use of funds allowable under section 404(a)(1) of the Act including:

(i) Nonmedical treatment services for alcohol and drug abuse and some medical treatment services (provided that the State has not commingled its MOE funds with Federal TANF funds to pay for the services), if consistent with the goals at § 260.20 of this chapter; and

(ii) Pro-family healthy marriage and responsible fatherhood activities enumerated in part IV–A of the Act, sections 403(a)(2)(A)(iii) and 403(a)(2)(C)(ii) that are consistent with the goals at §§ 260.20(c) or (d) of this chapter, but do not constitute “assistance” as defined in § 260.31(a) of this chapter; and

(5)(i) Administrative costs for activities listed in paragraphs (a)(1) through (a)(4) of this section, not to exceed 15 percent of the total amount of countable expenditures for the fiscal year.

(ii) Costs for information technology and computerization needed for tracking or monitoring required by or under part IV–A of the Act do not count towards the limit in paragraph (5)(i) of this section, even if they fall within the definition of “administrative costs.”

(A) This exclusion covers the costs for salaries and benefits of staff who develop, maintain, support, or operate the portions of information technology or computer systems used for tracking and monitoring.

(B) It also covers the costs of contracts for the development, maintenance, support, or operation of those portions of information technology or computer systems used for tracking or monitoring.

(b) With the exception of paragraph (a)(4)(ii) of this section, the benefits or services listed under paragraph (a) of this section count only if they have been provided to or on behalf of eligible families. An “eligible family” as defined by the State, must:

(1) Be comprised of citizens or non-citizens who:

(i) Are eligible for TANF assistance;

(ii) Would be eligible for TANF assistance, but for the time limit on the

receipt of federally funded assistance; or

(iii) Are lawfully present in the United States and would be eligible for assistance, but for the application of title IV of PRWORA;

(2) Include a child living with a custodial parent or other adult caretaker relative (or consist of a pregnant individual); and

(3) Be financially eligible according to the appropriate income and resource (when applicable) standards established by the State and contained in its TANF plan.

(c) Benefits or services listed under paragraph (a) of this section provided to a family that meets the criteria under paragraphs (b)(1) through (b)(3) of this section, but who became ineligible solely due to the time limitation given under § 264.1 of this chapter, may also count.

(d) Expenditures for the benefits or services listed under paragraph (a) of this section count whether or not the benefit or service meets the definition of assistance under § 260.31 of this chapter. Further, families that meet the criteria in paragraphs (b)(2) and (b)(3) of this section are considered to be eligible for TANF assistance for the purposes of paragraph (b)(1)(i) of this section.

(e) Expenditures for benefits or services listed under paragraph (a) of this section may include allowable costs borne by others in the State (e.g., local government), including cash donations from non-Federal third parties (e.g., a non-profit organization) and the value of third party in-kind contributions if:

(1) The expenditure is verifiable and meets all applicable requirements in 45 CFR 92.3 and 92.24;

(2) There is an agreement between the State and the other party allowing the State to count the expenditure toward its MOE requirement; and,

(3) The State counts a cash donation only when it is actually spent.

(f)(1) The expenditures for benefits or services in State-funded programs listed under paragraph (a) of this section count only if they also meet the requirements of § 263.5.

(2) Expenditures that fall within the prohibitions in § 263.6 do not count.

(g) State funds used to meet the Healthy Marriage Promotion and Responsible Fatherhood Grant match requirement may count to meet the MOE requirement in § 263.1, provided the expenditure also meets all the other MOE requirements in this subpart.

§ 263.3 When do child care expenditures count?

(a) State funds expended to meet the requirements of the CCDF Matching Fund (i.e., as match or MOE amounts) may also count as basic MOE expenditures up to the State's child care MOE amount that must be expended to qualify for CCDF matching funds.

(b) Child care expenditures that have not been used to meet the requirements of the CCDF Matching Fund (i.e., as match or MOE amounts), or any other Federal child care program, may also count as basic MOE expenditures. The limit described in paragraph (a) of this section does not apply.

(c) The child care expenditures described in paragraphs (a) and (b) of this section must be made to, or on behalf of, eligible families, as defined in § 263.2(b).

§ 263.4 When do educational expenditures count?

(a) Expenditures for educational activities or services count if:

(1) They are provided to eligible families (as defined in § 263.2(b)) to increase self-sufficiency, job training, and work; and

(2) They are not generally available to other residents of the State without cost and without regard to their income.

(b) Expenditures on behalf of eligible families for educational services or activities provided through the public education system do not count unless they meet the requirements under paragraph (a) of this section.

§ 263.5 When do expenditures in State-funded programs count?

(a) If a current State or local program also operated in FY 1995, and expenditures in this program would have been previously authorized and allowable under the former AFDC, JOBS, Emergency Assistance, Child Care for
