(2) Collections received by the IV-D agency in foster care maintenance cases shall be distributed as past-due support under §302.52(b) (3) and (4) of this chapter.

(3)(i) Except as provided in paragraph (h)(3)(ii), the IV-D agency must inform individuals receiving services under §302.33 of this chapter in advance that amounts offset will be applied to satisfy any past-due support which has been assigned to the State and submitted for Federal tax refund offset.

(ii) Effective October 1, 2009, or up to a year earlier at State option, the IV-D agency need no longer meet the requirement for notice under paragraph (h)(3)(i) if the State has opted, under section 454(34) of the Act, to apply amounts submitted to Federal tax refund offset first to satisfy any current support due and past-due support owed to the family.

(4) If the amount collected is in excess of the amounts required to be distributed under section 457 of the Act, the IV-D agency must repay the excess to the noncustodial parent whose refund was offset or to the parties filing a joint return within a reasonable period in accordance with State law.

(5) In cases where the Secretary of the U.S. Treasury, through OCSE, notifies the State that an offset is being made to satisfy non-IV-A past-due support from a refund based on a joint return, the State may delay distribution until notified that the unobligated spouse’s proper share of the refund has been paid or for a period not to exceed six months from notification of offset, whichever is earlier.

(6) Collections from offset may be applied only to cases that were being enforced by the IV-D agency at the time the advance notice described in paragraph (e)(1) of this section was sent.

(1) Payment of fee. (1) A refund offset fee, in such amount as the Secretary of the U.S. Treasury and the Secretary of Health and Human Services have agreed to be sufficient to reimburse the U.S. Department of Treasury for the full cost of the offset procedure, shall be deducted from the offset amount and credited to the U.S. Department of Treasury appropriations which bore all or part of the costs involved in making the collection. The full amount of the offset must be credited against the obligor’s payment record. The fee which the Secretary of the U.S. Treasury may impose with respect to non-IV-A submittals shall not exceed $25 per submittal.

(2) The State IV-D agency may charge an individual who is receiving services under §302.33(a)(1) (i) or (iii) of this chapter a fee not to exceed $25 for submitting past-due support for Federal tax refund offset. The State must inform the individual in advance of the amount of any fee charged.

(3) Any State which requests the Office to send the advance written notice under paragraph (e)(1) of this section will be charged a fee, in an amount established by the Office in instructions, for printing and mailing of pre-offset notices. This fee shall be credited to the Health and Human Services appropriations which bore all or part of the costs involved in making the collection.

(j) Each State involved in a referral of past-due support for offset must comply with instructions issued by the Office.
