(a) Information integrity and security. Have safeguards protecting the integrity, accuracy, completeness of, access to, and use of data in the computerized support enforcement system. These safeguards shall include written policies concerning access to data by IV-D agency personnel, and the sharing of data with other persons to:

(1) Permit access to and use of data to the extent necessary to carry out the State IV-D program under this chapter;
(2) Specify the data which may be used for particular IV-D program purposes, and the personnel permitted access to such data;
(3) Permit exchanging information with State and Tribal agencies administering programs under titles IV, XIX, and XXI of the Act, to the extent necessary to carry out those State and Tribal agency responsibilities under such programs in accordance with section 454A(f)(3) of the Act, and to the extent that it does not interfere with IV-D program meeting its own obligations.

(4) Prohibit the disclosure of NDNH, FCR, financial institution, and IRS information outside the IV-D program except that:

(i) IRS information is restricted as specified in the Internal Revenue Code;
(ii) Independently verified information other than financial institution information may be released to authorized persons;
(iii) NDNH and FCR information may be disclosed without independent verification to IV-B and IV-E agencies for the purposes of establishing parentage or establishing parental rights with respect to a child; and
(iv) NDNH and FCR information may be disclosed without independent verification to IV-A agencies for the purpose of assisting States to carry out their responsibilities of administering the Title IV-A programs.

§ 307.15 Approval of advance planning documents for computerized support enforcement systems.

(a) Approval of an APD. The Office shall not approve the APD unless the document, when implemented, will carry out the requirements of §307.10, or §307.11 of this part. Conditions for APD approval are specified in this section.

(b) Conditions for initial approval. In order to be approvable, an APD for a statewide computerized support enforcement system described under §307.10, or §307.11 must meet the following requirements:

(1) The APD must represent the sole systems effort being undertaken by the State in accordance with §307.10, or §307.11. If the State is requesting a waiver under §302.85 of this chapter, the APD must specify the conditions for which waiver is requested;

(2) The APD must specify how the objectives of the computerized support enforcement system in §307.10, or §307.11 will be carried out throughout the State; this includes a projection of how the proposed system will meet the functional requirements of §307.10, or §307.11 and how the single State system will encompass all political subdivisions in the State by October 1, 1997, or October 1, 2000 respectively.

(3) The APD must assure the feasibility of the proposed effort and provide for the conduct of a requirements analysis study which address all system components within the State and includes consideration of the program mission, functions, organization, services and constraints related to the computerized support enforcement system;

(4) The APD must indicate how the results of the requirements analysis study will be incorporated into the proposed system design, development, installation or enhancement;

(5) The APD must contain a description of each component within the proposed computerized support enforcement system as required by §307.10, or §307.11 and must describe information flows, input data, and output reports and uses;

(6) The APD must describe the security requirements to be employed in the proposed computerized support enforcement system;

(7) The APD must describe the intra-state and interstate interfaces set forth in §307.10, or §307.11 to be employed in the proposed computerized support enforcement system;

(8) The APD must describe the projected resource requirements for staff, hardware, and other needs and the resources available or expected to be available to meet the requirements;

(9) The APD must contain a proposed budget and schedule of life-cycle milestones relative to the size, complexity
