Paragraph (d) of this section provides an informal preliminary appeal process for resolution of such disputes within ORR prior to appeal to the Board.

(b) Scope. Adverse determinations to which this procedure is applicable are as follows:

(1) Termination, in whole or in part, of a grant for failure of the grantee to carry out its approved project or program in accordance with applicable law and the terms and conditions of such assistance or for failure of the grantee otherwise to comply with any law, regulation, assurance, term, or condition applicable to the grant.

(2) A determination that an expenditure not allowable under the grant has been charged to the grant or that the grantee has otherwise failed to discharge its obligation to account for grant funds.

(c) Financial status report. A State must submit to the Director, or designee, a financial status report described in §74.73(a) of this title, no later than 30 days after the end of each quarter. Final financial reports must be submitted in accordance with the requirements described in §400.210.

(d) Review. ORR will determine whether the State’s description of services, estimates, other relevant information, and any adjustments to be made for prior periods meet the requirements under this part, and will compute the quarterly award.

(e) Grant award. (1) ORR will transmit to the State the grant award form showing, by type of assistance, the amount of the award.

(2) The State may draw funds, under the Department’s Payment Management System (PMS), as needed, to meet the Federal share of disbursements.
