§ 1150.8

final and is not subject to further review.

(b) **Penalty.** The Endowment will assess a penalty charge, not to exceed 6 percent a year, on any portion of a debt that is delinquent for more than 90 days.

(c) **Administrative costs.** The Endowment will assess charges to cover administrative costs incurred as a result of your failure to pay a debt before it becomes delinquent. Administrative costs include the additional costs incurred in processing and handling the debt because it became delinquent, such as costs incurred in obtaining a credit report or in using a private collection contractor, or service fees charged by a Federal agency for collection activities undertaken on behalf of the Endowment.

(d) **Allocation of payments.** A partial or installment payment by a debtor will be applied first to outstanding penalty assessments, second to administrative costs, third to accrued interest, and fourth to the outstanding debt principal.

(e) **Additional authority.** The Endowment may assess interest, penalty charges, and administrative costs on debts that are not subject to 31 U.S.C. 3717 to the extent authorized under common law or other applicable statutory authority.

(f) **Waiver.** (1) The Chairperson may (without regard to the amount of the debt) waive collection of all or part of accrued interest, penalty charges, or administrative costs, if he or she determines that collection of these charges would be against equity and good conscience or not in the best interest of the Endowment.

(2) A decision to waive interest, penalty charges, or administrative costs may be made at any time before a debt is paid. However, where these charges have been collected before the waiver decision, they will not be refunded. The Chairperson’s decision to waive or not waive collection of these charges is final and is not subject to further review.

45 CFR Ch. XI (10–1–10 Edition)

§ 1150.8 **Will failure to pay my debt affect my eligibility for Endowment programs?**

In the event that you fail to pay your debt to the Endowment within a reasonable period of time after the date of the Notice of debt, the General Counsel of the Endowment shall place your name on the Endowment’s list of debarred, suspended, and ineligible contractors, grantees, and other participants in programs sponsored by the Endowment. You will be advised of this action.

§ 1150.9 **How can I resolve the Endowment’s claim through a voluntary repayment agreement?**

In response to a Notice of debt, you may propose to the Endowment that you be allowed to repay the debt through a voluntary repayment agreement in lieu of the Endowment taking other collection actions under this part.

(a) Your request to enter into a voluntary repayment agreement must:

(1) Be in writing;

(2) Admit the existence of the debt; and

(3) Either propose payment of the debt (together with interest, penalty charges, and administrative costs) in a lump sum, or set forth a proposed repayment schedule.

(b) The Endowment will collect claims in full or one lump sum whenever feasible. However, if you are unable to pay your debt in one lump sum, the Endowment may accept payment in regular installments that bear a reasonable relationship to the size of the debt and your ability to pay.

(c) The Endowment will consider a request to enter into a voluntary repayment agreement in accordance with the Federal Claims Collection Standards. The Chairperson may request additional information from you, including financial statements if you request to make payments in installments, in order to make a determination of whether to accept a voluntary repayment agreement. It is within the Chairperson’s discretion to accept a repayment agreement instead of proceeding with other collection actions under this part, and to set the necessary terms of any voluntary repayment agreement.
