(2) That office or official transmits a state process recommendation for a program selected under § 660.6.

(b)(1) The single point of contact is not obligated to transmit comments from state, areawide, regional or local officials and entities where there is no state process recommendation.

(2) If a state process recommendation is transmitted by a single point of contact, all comments from state, areawide, regional, and local officials and entities that differ from it must also be transmitted.

(e) The Director considers comments which do not constitute a state process recommendation submitted under these regulations and for which the Director is not required to apply the procedures of § 660.10 of this part, when such comments are provided by a single point of contact, by the applicant, or directly to the Foundation by a commenting party.

(2) Reaches a mutually agreeable solution with the state process; or

(3) Provides the single point of contact with a written explanation of the decision in such form as the Director in his or her discretion deems appropriate. The Director may also supplement the written explanation by providing the explanation to the single point of contact by telephone, other telecommunication, or other means.

(b) In any explanation under paragraph (a)(3) of this section, the Director informs the single point of contact that:

(1) The Foundation will not implement its decision for at least ten days after the single point of contact receives the explanation; or

(2) The Director has reviewed the decision and determined that, because of unusual circumstances, the waiting period of at least ten days is not feasible.

(c) For purposes of computing the waiting period under paragraph (b)(1) of this section, a single point of contact is presumed to have received written notification 5 days after the date of mailing of such notification.
