

§ 707.10

all announcements notifying the public of Agency activities to which the public is invited or which it is permitted to attend, including but not limited to the Commission's meetings, consultations, hearings, press conferences, and State Advisory Committee conferences and meetings. This notice shall designate the Agency official(s) and the address, telephone and TDD number to call to request interpreter services.

(d) Specific requirements for printed communications. (1) The Agency shall establish a system to provide to individuals with disabilities appropriate reader or taping service for all Agency publications that are available to the public. This provision does not require the Agency to have a reader or tapper on staff, but does require the Agency to be able to provide appropriate reader or taping service within a reasonable time and on reasonable notice. The Agency shall effectively notify qualified individuals with disabilities of the availability of reader or taping services.

(2) Notice of the availability of reader or taping service shall be included in all publications that are available to the public. This notice shall designate the Agency official(s) and the address, telephone, and TDD number to call to request interpreter services.

(e) Nothing in this section or § 707.10 requires the Agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where Agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the Agency has the burden of proving that compliance with this section or § 707.10 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the Staff Director or his or her designee after considering all Agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this paragraph would result in such an alteration or such

§ 707.10 Auxiliary aids.

(a) The Agency shall furnish appropriate auxiliary aids where necessary to afford an individual with disabilities an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the Agency.

(b) In determining what type of auxiliary aid is necessary, the Agency shall give primary consideration to the requests of the individual with disabilities.

(c) The Agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

§ 707.11 Eliminating discriminatory qualifications and selection criteria.

The Agency shall not make use of any qualification standard, eligibility requirement, or selection criterion that excludes particular classes of individuals with disabilities from an Agency program or activity merely because the persons are disabled, without regard to an individual's actual ability to participate. An irrebuttable presumption of inability to participate based upon a disability shall be permissible only if the condition would, in all instances, prevent an individual from meeting the essential eligibility requirements for participating in, or receiving the benefits of, the particular program or activity.

§ 707.12 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of disability in programs or activities conducted by the Agency.

(b) The Agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established in 29 U.S.C. 791 by the Equal Employment Opportunity Commission in 29 CFR part 1613 pursuant to section 501 of the
