§ 1203.4 Discrimination prohibited.

(a) *General*. A person in the United States shall not, on the ground of race, color, or national origin be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under, a program to which this part applies.

(b) *Specific discriminatory actions prohibited*. (1) A recipient to which this part applies may not, directly or through contractual or other arrangements, on the ground of race, color, or national origin—

(i) Deny a person a service, financial aid, or other benefit provided under the program;

(ii) Provide a service, financial aid, or other benefit to a person which is different, or is provided in a different manner, from that provided to others under the program;

(iii) Subject a person to segregation or separate treatment in any matter related to his receipt of a service, financial aid, or other benefit under the program;

(iv) Restrict a person in any way in the enjoyment of an advantage or

privilege enjoyed by others receiving a service, financial aid, or other benefit under the program;

(v) Treat a person differently from others in determining whether he satisfies an admission, enrollment, quota, eligibility, membership, or other requirement or condition which persons must meet in order to be provided a service, financial aid, or other benefit provided under the program;

(vi) Deny a person an opportunity to participate in the program through the provision of services or otherwise or afford him an opportunity to do so which is different from that afforded others under the program; or

(vii) Deny a person the opportunity to participate as a member of a planning or advisory body which is an integral part of the program.

(2) A recipient, in determining the types of services, financial aid, or other benefits, or facilities which will be provided under a program or the class of persons to whom, or the situations in which, the services, financial aid, other benefits, or facilities will be provided under a program, or the class of persons to be afforded an opportunity to participate in a program, may not, directly or through contractual or other arrangements, utilize criteria or methods of administration which have the effect of subjecting persons to discrimination because of their race, color, or national origin, or have the effect of defeating or substantially impairing accomplishment of the objectives of the program with respect to individuals of a particular race, color, or national origin.

(3) The enumeration of specific forms of prohibited discrimination in this paragraph does not limit the generality of the prohibition in paragraph (a) of this section.

(4)(i) In administering a program regarding which the recipient had previously discriminated against persons on the ground of race, color, or national origin, the recipient shall take affirmative action to overcome the effects of prior discrimination.

(ii) Even in the absence of prior discrimination a recipient in administering a program may take affirmative action to overcome the effect of conditions which resulted in limiting

participation by persons of a particular race, color, or national origin.

(c) *Employment practices.* (1) When a primary objective of the Federal financial assistance to which this part applies is to provide employment, a recipient or other party subject to this part shall not, directly or through contractual or other arrangements, subject a person to discrimination on the ground of race, color, or national origin in its employment practices under the program (including recruitment or recruitment advertising, hiring, firing, upgrading, promotion, demotion, transfer, layoff, termination, rates of pay, or other forms of compensation or benefits, selection for training or apprenticeship, use of facilities, and treatment of employees). A recipient shall take affirmative action to insure that applicants are employed, and employees are treated during employment, without regard to race, color, or national origin. The requirements applicable to construction employment under a program are those specified in or pursuant to part III of Executive Order 11246 or any Executive order which supersedes it.

(2) Federal financial assistance to programs under laws funded or administered by ACTION which have as a primary objective the providing of employment include those set forth in Appendix B to this part.

(3) Where a primary objective of the Federal financial assistance is not to provide employment, but discrimination on the ground of race, color, or national origin in the employment practices of the recipient tends, on the ground of race, color, or national origin, to exclude persons from participation in, to deny them the benefits of, or to subject them to discrimination under any program to which this part applies, the provisions of paragraph (c)(1) of this section apply to the employment practices of the recipient to the extent necessary to assure equality of opportunity to and nondiscriminatory treatment of beneficiaries.

(d) In determining the site or location of facilities, a recipient or applicant may not make selections with the purpose or effect of excluding individuals from, denying them the benefits

of, or subjecting them to discrimination under, a program to which this part applies, on the ground of race, color, or national origin; or with the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of title VI of this part.

[39 FR 27322, July 26, 1974, as amended at 68 FR 51387, Aug. 26, 2003]

§ 1203.5 Assurances required.

(a) *General.* (1) An application for Federal financial assistance to which this part applies, except an application to which paragraph (d) of this section applies, and every application for Federal financial assistance to provide a facility shall, as a condition to its approval and the extension of Federal financial assistance pursuant to the application, contain or be accompanied by, assurances that the program will be conducted or the facility operated in compliance with the requirements imposed by or pursuant to this part. Every award of Federal financial assistance shall require the submission of these assurances. In the case where the Federal financial assistance is to provide or is in the form of personal property, or real property or interest therein or structures thereon, the assurances shall obligate the recipient, or, in the case of a subsequent transfer, the transferee, for the period during which the property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits, or for as long as the recipient retains ownership or possession of the property, whichever is longer. In other cases, the assurances obligate the recipient for the period during which the Federal financial assistance is extended to the program. In the case where the assistance is sought for the construction of a facility or part of a facility, the assurances shall extend to the entire facility and to the facilities operated in connection therewith. ACTION shall specify the form of the foregoing assurances and the extent to which like assurances will be required of subgrantees, contractors and subcontractors, transferees, successors in interest, and other participants. The assurances shall include

provisions which give the United States the right to seek judicial enforcement.

(2) When Federal financial assistance is provided in the form of a transfer of real property, structures, or improvements thereon, or interest therein, from the Federal Government, the instrument effecting or recording the transfer shall contain a covenant running with the land assuring non-discrimination for the period during which the real property is used for a purpose involving the provision of similar services or benefits. When no transfer of property of interest therein from the Federal Government is involved, but property is acquired or improved with Federal financial assistance, the recipient shall agree to include a covenant in any subsequent transfer of the property. When the property is obtained from the Federal Government, the covenant may also include a condition coupled with a right to be reserved by ACTION to revert title to the property in the event of a breach of the covenant where, in the discretion of ACTION, such a condition and right of reverter is appropriate to the statute under which the real property is obtained and to the nature of the grant and the grantee. In the event a transferee of real property proposes to mortgage or otherwise encumber the real property as security for financing construction of new, or improvement of existing, facilities on property for the purposes for which the property was transferred, ACTION may agree, on request of the transferee and if necessary to accomplish the financing, and on conditions as he deems appropriate, to subordinate a right of reversion to the lien of a mortgage or other encumbrance.

(b) *Assurances from Government agencies.* In the case of an application from a department, agency, or office of a State or local government for Federal financial assistance for a specified purpose, the assurance required by this section shall extend to any other department, agency, or office of the same governmental unit if the policies of the other department, agency, or office will substantially affect the project for which Federal financial assistance is requested.
