(2) The recipient, after consultation with appropriate representatives of the private bar, has determined that the type of case is one that private attorneys in the area served by the recipient ordinarily do not accept, or do not accept without prepayment of a fee; or

(3) The director of the recipient, or the director's designee, has determined that referral of the case to the private bar is not possible because:

(i) Documented attempts to refer similar cases in the past generally have been futile;

(ii) Emergency circumstances compel immediate action before referral can be made, but the client is advised that, if appropriate, and consistent with professional responsibility, referral will be attempted at a later time; or

(iii) Recovery of damages is not the principal object of the recipient's client's case and substantial statutory attorneys' fees are not likely to be available.

(a) Attorneys' fees received by a recipient for representation supported in whole or in part with funds provided by the Corporation shall be allocated to the fund in which the recipient's LSC grant is recorded in the same proportion that the amount of Corporation funds expended bears to the total amount expended by the recipient to support the representation.

(b) Attorneys' fees received shall be recorded during the accounting period in which the money from the fee award is actually received by the recipient and may be expended for any purpose permitted by the LSC Act, regulations and other law applicable at the time the money is received.

(a) When a case results in recovery of damages or statutory benefits, a recipient may accept reimbursement from the client for out-of-pocket costs and expenses incurred in connection with the case, if the client has agreed in writing to reimburse the recipient for such costs and expenses out of any such recovery.

(b) A recipient may require a client to pay court costs when the client does not qualify to proceed *in forma pauperis* under the rules of the jurisdiction.
