(a) The Foundation may suspend or terminate a scholarship under the following specific conditions:

(1) Unsatisfactory academic performance for two terms, failure to pursue preparation for a career in public service, or loss of interest in a career in public service;

(2) Failure to meet the criteria in § 1801.3(d), § 1801.30(a) § 1801.31(a) and (b), or § 1801.51;

school term for which he or she has received a Foundation stipend, must return the amount of that stipend to the Foundation. The Foundation may waive this requirement upon application by the Scholar showing good cause for doing so.

§ 1801.63 Scholar Accountability.

(a) A Scholar selected after January 2005 must be employed in public service for three of the seven years following completion of his or her Foundation funded graduate education.

(b) Following completion of Foundation funded graduate education, Scholars must submit a report to the Foundation by July 15 of each year. This report will include the Scholar's current contact information as well as a brief description of his or her employment during the past twelve months. This reporting requirement ends when the Foundation determines that a Scholar has reported three years of public service employment and the Foundation notifies him or her that he or she no longer is required to submit reports. Scholars who fail for two consecutive years to submit the required report to the Foundation will be considered to have failed to complete the three year public service requirement of paragraph (a) of this section.

(c) A Scholar who fails to be employed in public service for three out of the first seven years following completion of his or her Foundation funded graduate education must repay to the Foundation an amount equal to:

(1) All of the Scholarship stipends received,

(2) Interest at the rate of 6% per annum from the date of receipt of each payment until repayment is made to the Foundation, and

(3) Reasonable collection fees.

(d)(1) The repayment obligation of paragraph (c) of this section accrues on the first July 15 on which it becomes impossible for a Scholar to fulfill the three year public service requirement of paragraph (a) of this section. For example, the repayment obligation would accrue on July 15 of the sixth year following completion of Foundation funded graduate education for a Scholar who has been employed in the public service for only one of those six years.
