§ 2552.91 What is the process for application and award of a grant?

(a) *How and when may an eligible organization apply for a grant?* (1) An eligible organization may file an application for a grant at any time.

(2) Before submitting an application an applicant shall determine the availability of funds from the Corporation.

(3) The Corporation may also solicit grants. Applicants solicited under this provision are not assured of selection or approval and may have to compete with other solicited or unsolicited applications.

(b) *What must an eligible organization include in a grant application?* (1) An applicant shall complete standard forms prescribed by the Corporation.

(2) The applicant shall comply with the provisions of Executive Order 12372 “Intergovernmental Review of Federal Programs,” (3 CFR, 1982 Comp., p.197) in 45 CFR Part 1233, and any other applicable requirements.

(c) *Who reviews the merits of an application and how is a grant awarded?* (1) The Corporation reviews and determines the merit of an application by its responsiveness to published guidelines and to the overall purpose and objectives of the program. When funds are available, the Corporation awards a grant in writing to each applicant whose grant proposal provides the best potential for serving the purpose of the program. The award will be documented by Notice of Grant Award (NGA).

(2) The Corporation and the sponsoring organization are the parties to the NGA. The NGA will document the sponsor’s commitment to fulfill specific programmatic objectives and financial obligations. It will document the extent of the Corporation’s obligation to provide financial support to the sponsor.

(d) *What happens if the Corporation rejects an application?* The Corporation will return an application that is not approved for funding to the applicant with an explanation of the Corporation’s decision.

(e) *For what period of time does the Corporation award a grant?* The Cor-

poration awards a Foster Grandparent grant for a specified period that is usually 12 months in duration.

§ 2552.92 What are project funding requirements?

(a) *Is non-Corporation support required?* A Corporation grant may be awarded to fund up to 90 percent of the cost of development and operation of a Foster Grandparent project. The sponsor is required to contribute at least 10 percent of the total project cost from non-Federal sources or authorized Federal sources.

(b) *Under what circumstances does the Corporation allow less than the 10 percent non-Corporation support?* The Corporation may allow exceptions to the 10 percent local support requirement in cases of demonstrated need such as:

(1) Initial difficulties in the development of local funding sources during the first three years of operations; or

(2) An economic downturn, the occurrence of a natural disaster, or similar events in the service area that severely restrict or reduce sources of local funding support; or

(3) The unexpected discontinuation of local support from one or more sources that a project has relied on for a period of years.

(c) *May the Corporation restrict how a sponsor uses locally generated contributions in excess of the 10 percent non-Corporation support required?* Whenever locally generated contributions to Foster Grandparent projects are in excess of the minimum 10 percent non-Corporation support required, the Corporation may not restrict the manner in which such contributions are expended provided such expenditures are consistent with the provisions of the Act.

(d) *Are program expenditures subject to audit?* All expenditures by the grantee of Federal and non-Federal funds, including expenditures from excess locally generated contributions in support of the grant, are subject to audit by the Corporation, its Inspector General or their authorized agents.

(e) *How are Foster Grandparent cost reimbursements budgeted?* (1) Except as provided in (e)(2) of this section, the total of cost reimbursements for Foster

Federal, required non-Federal, and excess non-Federal resources can be used to make up the amount allotted for cost reimbursements.

(2) The Corporation may allow exceptions to the 80 percent cost reimbursement requirement in cases of demonstrated need such as:

(i) Initial difficulties in the development of local funding sources during the first three years of operations; or

(ii) An economic downturn, the occurrence of a natural disaster, or similar events in the service area that severely restrict or reduce sources of local funding support; or

(iii) The unexpected discontinuation of local support from one or more sources that a project has relied on for a period of years.
