Coast Guard, DHS

§ 147.40 Materials requiring Commandant (CG–522) approval.

(a) Commandant (CG–522) approval is required before the following hazardous materials may be on board a vessel as ships’ stores:

1. Technical name or proper shipping name.
2. For hazardous ships’ stores other than liquid fuels, manufacturer’s or supplier’s name and address.
4. For hazardous ships’ stores other than liquid fuels, step by step procedures for proper use.
5. First aid instructions in the event of personnel contact, including antidotes in the event of ingestion.
6. Stowage and segregation requirements.

(b) Hazardous ships’ stores that are consumer commodities labeled in accordance with the Federal Hazardous Substances Act Regulations in 16 CFR part 1500 need not be labeled as specified in paragraph (a) of this section.

§ 147.33 Right of appeal.

Any person directly affected by a decision or action taken under this part, by or on behalf of the Coast Guard, may appeal therefrom in accordance with subpart 1.03 of this chapter.

§ 147.35 Purpose of subpart.

This subpart prescribes special requirements applicable to particular, named materials. These requirements are in addition to the general requirements in subpart A applicable to those materials.

§ 147.40 Materials requiring Commandant (CG–522) approval.

(a) Commandant (CG–522) approval is required before the following hazardous materials may be on board a vessel as ships’ stores:

1. Poison gases of Class 2, Division 2.3 and toxic liquids of Class 6, Division 6.1 which are poisonous by inhalation in Hazard Zone A.
2. Explosives of Divisions 1.1 or 1.2.
