§ 401.425  Provision for additional pilot.

The Director, Great Lakes Pilotage Staff, U.S. Coast Guard, or the General Manager, Great Lakes Pilotage Authority, Ltd., Canada, may require the assignment of two pilots to a ship upon request of the ship or when in his judgment, because of anticipated long transit, uncommon ship size, adverse weather or sea conditions or other abnormal circumstances, the assignment of two pilots is considered necessary for the safe navigation of the ship. The Director or General Manager shall direct which of the pilots is to be in charge, as circumstances require. The charge to the ship shall be twice the appropriate charge provided for in §§ 401.405, 401.407, 401.410, and 401.420. This section does not apply to a ship in a direct transit of the undesignated waters of Lake Erie between Southeast Shoal and Port Colborne unless the ship is required by law to have a registered pilot on board in these waters.

§ 401.427  Charge on past due accounts.

A charge of two percent (2%) per month shall be paid on the opening monthly balance on accounts remaining unpaid over thirty (30) days after the billing date.

If a U.S. pilot is carried beyond the normal change point or is unable to board at the normal boarding point, the ship shall pay at the rate of $719 per day or part thereof, plus reasonable travel expenses to or from the pilot's base. These charges are not applicable if the ship utilizes the services of the pilot beyond the normal change point and the ship is billed for these services. The change points to which this section applies are designated in § 401.450.
