§ 535.705 Application for waiver.

(a) Upon a showing of good cause, the Commission may waive any requirement of this subpart.

(b) A request for such a waiver must be submitted and approved by the Commission in advance of the filing of the Monitoring Report or minutes to which the requested waiver would apply. Requests for a waiver shall be submitted in writing to the Director, Bureau of Trade Analysis, Federal Maritime Commission, Washington, DC 20573–0001, and shall state and provide the following:

(1) The specific requirements from which relief is sought;

(2) The special circumstances requiring the requested relief;

(3) Relevant trade and industry data and information to substantiate and support the special circumstances requiring the requested relief; and

(4) Why granting the requested waiver will not substantially impair effective monitoring of the agreement.

(c) The Commission may take into account the presence or absence of shipper complaints as well as the past compliance of the agreement parties with any reporting requirement under this part in considering an application for a waiver.

§ 535.801 Independent action.

(a) Each conference agreement shall specify the independent action ("IA") procedures of the conference, which shall provide that any conference member may take independent action on any rate or service item upon not more than 5 calendar days' notice to the conference and shall otherwise be in conformance with section 5(b)(8) of the Act (46 U.S.C. 40303(b)(8)).

(b)(1) Each conference agreement that provides for a period of notice for independent action shall establish a fixed or maximum period of notice to the conference. A conference agreement shall not require or permit a conference member to give more than 5 calendar days’ notice to the conference, except that in the case of a new or increased rate the notice period shall conform to the tariff publication requirements of this chapter.

(b)(2) A conference agreement shall not prescribe notice periods for adopting, withdrawing, postponing, canceling, or taking other similar actions on independent actions.

(c) Each conference agreement shall indicate the conference official, single designated representative, or conference office to which notice of independent action is to be given.

(d) A conference agreement shall not require a member who proposes independent action to attend a conference meeting, to submit any further information other than that necessary to
§ 535.802 Service contracts.

(a) Ocean common carrier agreements may not prohibit or restrict a TVR offering that results in a change in any aspect of the original IA TVR, other than the name of the offering carrier or the beginning date of the adopting IA TVR, is a new independent action and shall be processed in accordance with the provisions of the applicable agreement. The adoption procedures discussed above do not authorize the participation by an adopting carrier in the cargo volume of the originating carrier’s IA TVR. Member lines may publish and participate in joint IA TVRs, if permitted to do so under the terms of their agreement; however, no carrier may participate in an IA TVR already published by another carrier.

(b) A conference agreement may not permit the conference to unilaterally designate an expiration date for an independent action taken by a member line. The right to determine the duration of an IA remains with the member line, and a member line must be given the opportunity to designate whatever duration it chooses for its IA, regardless if the duration is for a specified period or open ended. Only in instances where a member line gives its consent to the conference, or where a member line freely elects not to provide for the duration of its IA after having been given the opportunity, can the conference designate an expiration date for the member line’s IA.

(c) Any new conference agreement or any modification to an existing conference agreement that does not comply with the requirements of this section shall be rejected pursuant to §535.601 of this part.

(d) If ratemaking is by sections within a conference, then any notice to the conference required by §535.801 may be made to the particular ratemaking section.
