§ 51.327 Notice of network changes: Content of notice.

(a) Public notice of planned network changes must, at a minimum, include:

(1) The carrier’s name and address;
(2) The name and telephone number of a contact person who can supply additional information regarding the planned changes;
(3) The implementation date of the planned changes;

(b) Until the planned change is implemented, an incumbent LEC must keep the notice available for public inspection, and amend the notice to keep the information complete, accurate and up-to-date.

§ 51.329 Notice of network changes: Methods for providing notice.

(a) In providing the required notice to the public of network changes, an incumbent LEC may use any of the following methods:

(1) Filing a public notice with the Commission;
(2) Providing public notice through industry fora, industry publications, or the carrier’s publicly accessible Internet site. If an incumbent LEC uses any of the methods specified in paragraph (a)(2) of this section, it also must file a certification with the Commission that includes:

(i) A statement that identifies the proposed changes;
(ii) A statement that public notice has been given in compliance with §§ 51.325 through 51.335; and
(iii) A statement identifying the location of the change information and describing how this information can be obtained.

§ 51.331 Notice of network changes: Timing of notice.

(a) An incumbent LEC shall give public notice of planned changes at the make/buy point, as defined in paragraph (b) of this section, but at least 12 months before implementation, except as provided below:

(1) If the changes can be implemented within twelve months of the make/buy point, public notice must be given at the make/buy point, but at least six months before implementation.
(2) If the changes can be implemented within six months of the make/buy
