§ 54.601 Eligibility.

(a) Health care providers. (1) Except with regard to those services provided under §54.621(b), only an entity that is either a public or non-profit rural health care provider, as defined in this section, shall be eligible to receive supported services under this subpart.

(2) For purposes of this subpart, a "health care provider" is any:

(i) Post-secondary educational institution offering health care instruction, including a teaching hospital or medical school;

(ii) Community health center or health center providing health care to migrants;

(iii) Local health department or agency;

(iv) Community mental health center;

(v) Not-for-profit hospital;

(vi) Rural health clinic; or

(vii) Consortium of health care providers consisting of one or more entities described in paragraphs (a)(2)(i) through (a)(2)(vi) of this section.

(3) For purposes of this subpart, a rural health care provider is a public or non-profit health care provider located in a rural area, as defined in this subpart.

(i) Any health care provider that was located in a rural area under the definition used by the Commission prior to July 1, 2005, and that had received a funding commitment from USAC since 1998, remain eligible for support under this subpart though the funding year ending on June 30, 2011.

(ii) [Reserved]

(4) Each separate site or location of a health care provider shall be considered an individual health care provider for purposes of calculating and limiting support under this subpart.

(b) Consortia. (1) An eligible health care provider may join a consortium with other eligible health care providers; with schools, libraries, and library consortia eligible under Subpart F; and with public sector (governmental) entities to order telecommunications services. With one exception, eligible health care providers participating in consortia with ineligible private sector members shall not be eligible for supported services under this subpart. A consortium may include ineligible private sector entities if such consortium is only receiving services at tariffed rates or at market rates from those providers who do not file tariffs.
