Federal Communications Commission § 63.63

Commission within 10 days of the reduction showing:
(1) The date on which, places at which, and extent to which service was expanded; and,
(2) The date on which, places at which, and extent to which such expansion of service was discontinued.

(b) And provided further that a licensee of a radio station who has filed an application for authority to discontinue service provided by such station shall during the period that such application is pending before the Commission, continue to file appropriate applications as may be necessary for extension or renewal of station license in order to provide legal authorization for such station to continue in operation pending final action on the application for discontinuance of service. Procedures for discontinuance, reduction or impairment of service by dominant and non-dominant, domestic carriers are in §63.71. Procedures for discontinuance, reduction or impairment of international services are in §63.19.

[71 FR 65751, Nov. 9, 2006]

§ 63.62 Type of discontinuance, reduction, or impairment of telephone or telegraph service requiring formal application.

Authority for the following types of discontinuance, reduction, or impairment of service shall be requested by formal application containing the information required by the Commission in the appropriate sections to this part, except as provided in paragraph (c) of this section, or in emergency cases (as defined in §63.60(b)) as provided in §63.63:

(a) The dismantling or removal of a trunk line (for contents of application see §63.500) for all domestic carriers and for dominant international carriers except as modified in §63.19;

(b) The severance of physical connection or the termination or suspension of the interchange of traffic with another carrier (for contents of application, see §63.501);

(c) [Reserved]

(d) The closure of a public toll station where no other such toll station of the applicant in the community will continue service (for contents of application, see §63.504): Provided, however, that no application shall be required under this part with respect to the closure of a toll station located in a community where telephone toll service is otherwise available to the public through a telephone exchange connected with the toll lines of a carrier;

(e) Any other type of discontinuance, reduction or impairment of telephone service not specifically provided for by other provisions of this part (for contents of application, see §63.505);

(f) An application may be filed requesting authority to make a type of reduction in service under specified standards and conditions in lieu of individual applications for each instance coming within the type of reduction in service proposed.

EFFECTIVE DATE NOTE: At 61 FR 15733, Apr. 9, 1996, in §63.62, paragraph (a) was revised. This amendment contains information collection and recordkeeping requirements and will not become effective until approval has been given by the Office of Management and Budget.

§ 63.63 Emergency discontinuance, reduction, or impairment of service.

(a) Application for authority for emergency discontinuance, reduction, or impairment of service shall be made by filing an informal request in quintuplicate as soon as practicable but not later than 15 days in the case of public coast stations; or 65 days in all other cases, after the occurrence of the conditions which have occasioned the discontinuance, reduction, or impairment. The request shall make reference to this section and show the following:

(1) The effective date of such discontinuance, reduction, or impairment, and the identification of the service area affected;

(2) The nature and estimated duration of the conditions causing the discontinuance, reduction, or impairment;

(3) The facts showing that such conditions could not reasonably have been foreseen by the carrier in sufficient time to prevent such discontinuance, reduction, or impairment;

(4) A description of the service involved;
