using imprest funds or third party drafts.

(d) Forms prescribed at 13.307(e) may be used if a written order is considered necessary (e.g., if required by the supplier for discount, tax exemption, or other reasons). (e) The individual authorized to make purchases using imprest funds or third party drafts shall—

(1) Furnish to the imprest fund or third party draft cashier a copy of the document required under paragraph (a) of this subsection annotated to reflect—

(iii) The supplier's name and address; and

(2) Require the supplier to include with delivery of the supplies an invoice, packing slip, or other sales instrument giving—

(i) The supplier's name and address;

(ii) List and quantity of items supplied;

(iii) Unit prices and extensions; and

(iv) Cash discount, if any.

13.306 SF 44, Purchase Order—Invoice—Voucher.

The SF 44, Purchase Order—Invoice—Voucher, is a multipurpose pocket-size purchase order form designed primarily for on-the-spot, over-the-counter purchases of supplies and nonpersonal services while away from the purchasing office or at isolated activities. It also can be used as a receiving report, invoice, and public voucher.

(a) This form may be used if all of the following conditions are satisfied:

(1) The amount of the purchase is at or below the micro-purchase threshold, except for purchases made under unusual and compelling urgency or in support of contingency operations. Agencies may establish higher dollar limitations for specific activities or items;

(2) The supplies or services are immediately available;

48 CFR Ch. 1 (10–1–10 Edition)

(3) One delivery and one payment will be made; and

(4) Its use is determined to be more economical and efficient than use of other simplified acquisition procedures.

(b) General procedural instructions governing the form's use are printed on the form and on the inside front cover of each book of forms.

(c) Since there is, for all practical purposes, simultaneous placement of the order and delivery of the items, clauses are not required for purchases using this form.

(d) Agencies shall provide adequate safeguards regarding the control of forms and accounting for purchases.

Each agency request for quotations form/automated format should conform with the SF 18 or SF 1449 to the maximum extent practicable.

(2) Both SF 1449 and OF 347, Order for Supplies or Services, are multipurpose forms used for negotiated purchases of supplies or services, delivery or task orders, inspection and receiving reports, and invoices. An agency form/automated format also may be used.

Subpart 13.4—Fast Payment Procedure

13.401 General.

(a) The fast payment procedure allows payment under limited conditions to a contractor prior to the Government's verification that supplies have been received and accepted. The procedure provides for payment for supplies based on the contractor's submission of an invoice that constitutes a certification that the contractor—

(1) Has delivered the supplies to a post office, common carrier, or point of first receipt by the Government; and

(2) Shall replace, repair, or correct supplies not received at destination, damaged in transit, or not conforming to purchase agreements.

(b) The contracting officer shall be primarily responsible for determining the amount of debts resulting from failure of contractors to properly replace, repair, or correct supplies lost, damaged, or not conforming to purchase requirements (see 32.602 and 32.603).

[62 FR 64917, Dec. 9, 1997, as amended at 73 FR 54001, Sept. 17, 2008]

13.402 Conditions for use.

If the conditions in paragraphs (a) through (f) of this section are present, the fast payment procedure may be used, provided that use of the procedure is consistent with the other conditions of the purchase. The conditions for use of the fast payment procedure are as follows:

(a) Individual purchasing instruments do not exceed \$30,000, except that executive agencies may permit higher dollar limitations for specified activities or items on a case-by-case basis.

(b) Deliveries of supplies are to occur at locations where there is both a geographical separation and a lack of adequate communications facilities between Government receiving and disbursing activities that will make it impractical to make timely payment based on evidence of Government acceptance.

(c) Title to the supplies passes to the Government—

(1) Upon delivery to a post office or common carrier for mailing or shipment to destination; or

(2) Upon receipt by the Government if the shipment is by means other than Postal Service or common carrier.

(d) The supplier agrees to replace, repair, or correct supplies not received at destination, damaged in transit, or not conforming to purchase requirements.

(e) The purchasing instrument is a firm-fixed-price contract, a purchase order, or a delivery order for supplies.

(f) A system is in place to ensure—

(1) Documentation of evidence of contractor performance under fast payment purchases;

(2) Timely feedback to the contracting officer in case of contractor deficiencies; and

(3) Identification of suppliers that have a current history of abusing the fast payment procedure (also see subpart 9.1).
