

Federal Acquisition Regulation

4.502

4.403 Responsibilities of contracting officers.

(a) *Presolicitation phase.* Contracting officers shall review all proposed solicitations to determine whether access to classified information may be required by offerors, or by a contractor during contract performance.

(1) If access to classified information of another agency may be required, the contracting officer shall—

(i) Determine if the agency is covered by the NISP; and

(ii) Follow that agency's procedures for determining the security clearances of firms to be solicited.

(2) If the classified information required is from the contracting officer's agency, the contracting officer shall follow agency procedures.

(b) *Solicitation phase.* Contracting officers shall—

(1) Ensure that the classified acquisition is conducted as required by the NISP or agency procedures, as appropriate; and

(2) Include (i) an appropriate Security Requirements clause in the solicitation (see 4.404), and (ii) as appropriate, in solicitations and contracts when the contract may require access to classified information, a requirement for security safeguards in addition to those provided in the clause (52.204-2, Security Requirements).

(c) *Award phase.* Contracting officers shall inform contractors and subcontractors of the security classifications and requirements assigned to the various documents, materials, tasks, subcontracts, and components of the classified contract as follows:

(1) Agencies covered by the NISP shall use the Contract Security Classification Specification, DD Form 254. The contracting officer, or authorized representative, is the approving official for the form and shall ensure that it is prepared and distributed in accordance with the Industrial Security Regulation.

(2) Contracting officers in agencies not covered by the NISP shall follow agency procedures.

4.404 Contract clause.

(a) The contracting officer shall insert the clause at 52.204-2, Security Requirements, in solicitations and contracts when the contract may require access to classified information, unless the conditions specified in paragraph (d) below apply.

(b) If a cost contract (see 16.302) for research and development with an educational institution is contemplated, the contracting officer shall use the clause with its Alternate I.

(c) If a construction or architect-engineer contract where employee identification is required for security reasons is contemplated, the contracting officer shall use the clause with its Alternate II.

(d) If the contracting agency is not covered by the NISP and has prescribed a clause and alternates that are substantially the same as those at 52.204-2, the contracting officer shall use the agency-prescribed clause as required by agency procedures.

Subpart 4.5—Electronic Commerce in Contracting

AUTHORITY: 40 U.S.C. 486(c); 10 U.S.C. chapter 137; and 42 U.S.C. 2473(c).

SOURCE: 63 FR 58592, Oct. 30, 1998, unless otherwise noted.

4.500 Scope of subpart.

This subpart provides policy and procedures for the establishment and use of electronic commerce in Federal acquisition as required by Section 30 of the Office of Federal Procurement Policy (OFPP) Act (41 U.S.C. 426).

4.501 [Reserved]

4.502 Policy.

(a) The Federal Government shall use electronic commerce whenever practicable or cost-effective. The use of terms commonly associated with paper transactions (e.g., “copy,” “document,” “page,” “printed,” “sealed envelope,” and “stamped”) shall not be interpreted to restrict the use of electronic commerce.
