Federal Acquisition Regulation

45.603

an interest in using or acquiring the property by annotating the inventory disposal schedule, the plant clearance officer shall forward the inventory disposal schedule to the GSA regional office that serves the region in which the property is located.

(ii) If the contractor has expressed an interest in using the property on another Government contract, the plant clearance officer shall contact the contracting officer for that contract. If the contracting officer concurs with the proposed use, the contracting officer for the contract under which the property is accountable shall transfer the property’s accountability to that contract. If the contracting officer does not concur with the proposed use, the plant clearance officer shall deny the contractor’s request and shall continue the screening process.

(iii) If the property is contractor-acquired or -produced, and the contractor or subcontractor has expressed an interest during agency or GSA screening, the property may be sold to the contractor or subcontractor at acquisition cost.

(4) Non-nuclear hazardous materials, hazardous wastes, and classified items. These items shall be screened in accordance with agency procedures. Report non-nuclear hazardous materials to GSA if the agency has no requirement for them.

(5) Nuclear materials. The possession, use, and transfer of certain nuclear materials are subject to the regulatory controls of the Nuclear Regulatory Commission (NRC). Contracting activities shall screen excess nuclear materials in the following categories:

(i) By-product material. Any radioactive material (except special nuclear material) yielded in or made radioactive by exposure to the radiation incident to producing or using special nuclear material.

(ii) Source material. Uranium or thorium, or any combination thereof, in any physical or chemical form; or ores that contain by weight one-twentieth of 1 percent (0.05 percent) or more of uranium, thorium, or any combination thereof. Source material does not include special nuclear material.

(iii) Special nuclear material. Plutonium, Uranium 233, Uranium enriched in the isotope 235, any other material that the NRC determines to be special nuclear material (but not including source material); or any material artificially enriched by any nuclear material.

45.602–4 Interagency property transfer costs.

Agencies whose property is transferred to other agencies shall not be reimbursed for the property in any manner unless the circumstances of FMR 102–36.285 (41 CFR 102–36.285) apply. The agency receiving the property shall pay any transportation costs that are not the contractor’s responsibility and any costs to pack, crate, or otherwise prepare the property for shipment. The contract administration office shall process appropriate contract modifications. To accelerate plant clearance, the receiving agency shall promptly furnish funding data, and transfer or shipping documents to the contract administration office.

45.603 Abandonment, destruction or donation of excess personal property.

(a) Plant clearance officers may abandon, destroy, or donate to public bodies excess property that is not sensitive property and does not require demilitarization.

(b) Plant clearance officers may abandon sensitive property that does not require demilitarization, with contractor consent, provided appropriate instructions are provided with respect to the proper care, handling, and disposal of the property.

(c) The Government may donate excess personal property to eligible
donees in lieu of abandonment if the Government will not bear any of the costs incident to a donation.

(d)(1) Before abandoning, destroying, or donating excess personal property, the plant clearance officer shall determine in writing that the property does not constitute a danger to public health or welfare and—
   (i) The property has no residual monetary value; or
   (ii) The estimated cost to sell the property, including advertising, storage, and other costs associated with making the sale, is greater than the probable sale proceeds; and
(2) A Government reviewing official shall approve all written determinations for abandonment and destruction actions.

45.604 Disposal of surplus property.

45.604–1 Disposal methods.

(a) Except as provided in paragraphs (b) and (c) of this subsection, surplus property that has completed screening in accordance with 45.602–3(a) shall be sold in accordance with 45.604–3 or abandoned, destroyed, or donated to public bodies in accordance with 45.604–2.

(b) The following property that GSA has declared surplus or not required to be screened by GSA shall be disposed of in accordance with agency procedures:
   (1) Classified items.
   (2) Nonnuclear hazardous materials or hazardous wastes.
   (3) Property that contains precious metals or requires demilitarization.
   (4) Government property physically located outside the United States or its possessions (see 40 U.S.C. 701–705).
   (c) Nuclear materials (see 45.602–3(b)(5)) shall be disposed of in accordance with NRC or applicable state licenses, applicable Federal regulations, and agency regulations.

45.604–2 Abandonment, destruction, or donation of surplus property.

(a) Plant clearance officers may abandon, destroy, or donate to public bodies surplus property that is not sensitive property, and does not require demilitarization.

(b) Plant clearance officers may abandon sensitive property that does not require demilitarization, with contractor consent, provided appropriate instructions are provided with respect to the proper care, handling, and disposal of the property.

(c) The Government may donate surplus property to eligible donees in lieu of abandonment if the Government will not bear any of the costs incident to donation.

(d) Before abandoning, destroying, or donating surplus property, the plant clearance officer shall determine in writing that the property does not constitute a danger to public health or welfare and—
   (1) The property has no residual monetary value; or
   (2) The estimated cost to sell the property, including advertising, storage, and other costs associated with making the sale, is greater than the probable sale proceeds.

45.604–3 Sale of surplus personal property.

[75 FR 38681, July 2, 2010]

45.604–4 Proceeds from sales of surplus property.

Proceeds of any sale are to be credited to the Treasury of the United States as miscellaneous receipts, unless otherwise authorized by statute or the contract or any subcontract thereunder authorizes the proceeds to be credited to the price or cost of the work (40 U.S.C. 571 and 574).

45.605 Inventory disposal reports.

The plant clearance officer shall promptly prepare an SF 1424, Inventory Disposal Report, following disposition of the property identified on an inventory disposal schedule or scrap list and the crediting of any related proceeds. The report shall identify any lost, stolen, damaged, destroyed, or otherwise unaccounted for property and any changes in quantity or value of the property made by the contractor after
