TRAINING FOR CONTRACTOR PERSONNEL  
INTERACTING WITH DETAINEES (SEP 2006)

(End of clause)

(a) *Definitions.* As used in this clause—

*Combatant Commander* means the commander of a unified or specified combatant command established in accordance with 10 U.S.C. 161.

*Detainee* means a person in the custody or under the physical control of the Department of Defense on behalf of the United States Government as a result of armed conflict or other military operation by United States armed forces.

*Personnel interacting with detainees* means personnel who, in the course of their duties, are expected to interact with detainees.

(b) *Training requirement.* This clause implements Section 1092 of the National Defense Authorization Act for Fiscal Year 2005 (Pub. L. 108-375).

(1) The Combatant Commander responsible for the area where a detention or interrogation facility is located will arrange for training to be provided to contractor personnel interacting with detainees. The training will address the international obligations and laws of the United States applicable to the detention of personnel, including the Geneva Conventions. The Combatant Commander will arrange for a training receipt document to be provided to personnel who have completed the training.

(2)(i) The Contractor shall arrange for its personnel interacting with detainees to—

(A) Receive the training specified in paragraph (b)(1) of this clause—

(1) Prior to interacting with detainees, or as soon as possible if, for compelling reasons, the Contracting Officer authorizes interaction with detainees prior to receipt of such training; and

(2) Annually thereafter; and

(B) Provide a copy of the training receipt document specified in paragraph (b)(1) of this clause to the Contractor for retention.

(ii) To make these arrangements, the following points of contact apply:

[Contracting Officer to insert applicable point of contact information cited in PGI 237.171-3(b).]

(3) The Contractor shall retain a copy of the training receipt document(s) provided in accordance with paragraphs (b)(1) and (2) of this clause until the contract is closed, or 3 years after all work required by the contract has been completed and accepted by the Government, whichever is sooner.

(c) *Subcontracts.* The Contractor shall include the substance of this clause, including this paragraph (c), in all subcontracts that may require subcontractor personnel to interact with detainees in the course of their duties.

**252.237-7020—252.237-7021 [Reserved]**

**252.237-7022 Services at installations being closed.**

As prescribed in 237.7402, use the following clause:

SERVICES AT INSTALLATIONS BEING CLOSED  
(MAY 1995)

Professional employees shall be used by the local government to provide services under this contract to the extent that professionals are available in the area under the jurisdiction of such government.

**252.237-7023 Continuation of Essential Contractor Services.**

As prescribed in 237.7603, use the following clause:

CONTINUATION OF MISSION ESSENTIAL  
FUNCTIONS (DATE)

(a) The Government has identified all or a portion of the services performed under this contract as essential contractor services in support of mission-essential functions. The contractor-provided services that have been determined to be essential contractor services in support of mission-essential functions are listed in attachment \_\_.

Mission-Essential Contractor Services, dated \_\_\_\_\_.

(b) The Contractor shall provide a written plan for continuing the performance of essential contractor services identified in paragraph (a) of this section during a crisis.

(1) The Contractor shall identify in the plan the provisions made for the acquisition of essential personnel and resources, if necessary, for continuity of operations for up to 30 days or until normal operations can be resumed;

(2) The plan must, at a minimum, address—

(i) Challenges associated with maintaining essential contractor services during an extended event, such as a pandemic that occurs in repeated waves;

(ii) The time lapse associated with the initiation of the acquisition of essential personnel and resources and their actual availability on site;

(iii) The components, processes, and requirements for the identification, training,

## 252.239-7000

and preparedness of personnel who are capable of relocating to alternate facilities or performing work from home;

(iv) Any established alert and notification procedures for mobilizing identified "essential contractor service" personnel; and

(v) The approach for communicating expectations to contractor employees regarding their roles and responsibilities during a crisis.

(3) The Contractor shall maintain and update its plan as necessary and adhere to its requirements throughout the contract term. The Contractor shall not materially alter the plan without the Contracting Officer's consent.

(4) As directed by the Contracting Officer, the Contractor shall participate in training events, exercises, and drills associated with Government efforts to test the effectiveness of continuity of operations procedures and practices.

(c) In the event the Contractor anticipates not being able to perform any of the essential contractor services identified in paragraph (a) of this section during a crisis situation, the Contractor shall notify the Contracting Officer or other designated representative as expeditiously as possible and use its best efforts to cooperate with the Government in the Government's efforts to maintain the continuity of operations.

(d) The Government reserves the right in such crisis situations to use Federal employees of other agencies or contract support from other contractors or to enter into new contracts for essential contractor services. Any new contracting efforts would be conducted in accordance with OFPP letter, "Emergency Acquisitions" May 2007 and FAR and DFARS subparts 18 and 218, respectively, or any other subsequent emergency guidance issued.

(e) Changes. The Contractor shall segregate and separately identify all costs incurred in continuing performance of essential services in a crisis situation. The Contractor shall notify the Contracting Officer of an increase or decrease in costs within ninety days after continued performance has been directed by the Contracting Officer, or within any additional period that the Contracting Officer approves in writing, but not later than the date of final payment under the contract. The Contractor's notice shall include the Contractor's proposal for an equitable adjustment and any data supporting the increase or decrease in the form prescribed by the Contracting Officer. The parties shall negotiate an equitable price adjustment to the

contract price as soon as is practicable after receipt of the Contractor's proposal.

The Contractor shall include the substance of this clause, including this paragraph (f), in subcontracts for the essential services.

### 252.239-7000 Protection against compromising emanations.

*As prescribed in 239.7103(a), use the following clause:*

#### PROTECTION AGAINST COMPROMISING EMANATIONS (JUN 2004)

(a) The Contractor shall provide or use only information technology, as specified by the Government, that has been accredited to meet the appropriate information assurance requirements of—

(1) The National Security Agency National TEMPEST Standards (NACSEM No. 5100 or NACSEM No. 5100A, Compromising Emanations Laboratory Test Standard, Electromagnetics (U)); or

(2) Other standards specified by this contract, including the date through which the required accreditation is current or valid for the contract.

(b) Upon request of the Contracting Officer, the Contractor shall provide documentation supporting the accreditation.

(c) The Government may, as part of its inspection and acceptance, conduct additional tests to ensure that information technology delivered under this contract satisfies the information assurance standards specified. The Government may conduct additional tests—

(1) At the installation site or contractor's facility; and

(2) Notwithstanding the existence of valid accreditations of information technology prior to the award of this contract.

(d) Unless otherwise provided in this contract under the Warranty of Supplies or Warranty of Systems and Equipment clause, the Contractor shall correct or replace accepted information technology found to be deficient within 1 year after proper installations.

(1) The correction or replacement shall be at no cost to the Government.

(2) Should a modification to the delivered information technology be made by the Contractor, the 1-year period applies to the modification upon its proper installation.

(3) This paragraph (d) applies regardless of f.o.b. point or the point of acceptance of the deficient information technology.
