General Services Administration

552.217–70 Evaluation of Options.

As prescribed in 517.208(a), insert the following provision:

**EVALUATION OF OPTIONS (AUG 1990)**

(a) The Government will evaluate offers for award purposes by determining the lowest base period price. When option year pricing is based on a formula (e.g., changes in the Producer Price Index or other common standard); option year pricing is automatically considered when evaluating the base year price, as any change in price will be uniformly related to changes in market conditions. All options are therefore considered to be evaluated. Evaluation of options will not obligate the Government to exercise the option(s).

(b) The Government will reject the offer if exceptions are taken to the price provisions of the Economic Price Adjustment clause, unless the exception results in a lower maximum option year price. Such offers will be evaluated without regard to the lower option year(s) maximum. However, if the offeror offering a lower maximum is awarded a contract, the award will reflect the lower maximum.

552.217–71 Notice Regarding Option(s).

As prescribed in 517.208(b), insert the following provision:

**NOTICE REGARDING OPTION(S) (NOV 1992)**

The General Services Administration (GSA) has included an option to [insert “purchase additional quantities of supplies or services” or “extend the term of this contract” or “purchase additional quantities of supplies or services and to extend the term of this contract”] in order to demonstrate the value it places on quality performance by providing a mechanism for continuing a contractual relationship with a successful Offeror that performs at a level which meets or exceeds GSA’s quality performance expectations as communicated to the Contractor, in writing, by the Contracting Officer or designated representative. When deciding whether to exercise the option, the Contracting Officer will consider the quality of the Contractor’s past performance under this contract in accordance with 48 CFR 517.207.

(End of provision)

552.219–70 Allocation of Orders—Partially Set-Aside Items.

As prescribed in 519.508, insert the following clause:

**ALLOCATION OF ORDERS—PARTIALLY SET-ASIDE ITEMS (SEP 1999)**

Where the set-aside portion of an item or group of items is awarded to a Contractor other than the one receiving the award on the corresponding non-set-aside portion, the Government will divide the requirements to be ordered between the two Contractors with the objective of achieving, as nearly as possible, a 50/50 division of the total value of orders placed after the award of the set-aside portion. In no case will this division vary by more than a 60/40 division (with either the non-set-aside or set-aside Contractor receiving the larger portion) from the time of the award of the set-aside portion.

(End of clause)

552.219–71 Notice to Offerors of Subcontracting Plan Requirements.

As prescribed in 519.708–70(a), insert the following provision:

**NOTICE TO OFFERORS OF SUBCONTRACTING PLAN REQUIREMENTS (JUN 2005)**

The General Services Administration (GSA) is committed to assuring that maximum practicable opportunity is provided to small, HUBZone small, small disadvantaged, women-owned, veteran-owned, and service-disabled veteran-owned small business concerns to participate in the performance of this contract consistent with its efficient performance. GSA expects any subcontracting plan submitted pursuant to FAR 52.219–9, Small Business Subcontracting Plan, to reflect this commitment. Consequently, an offeror, other than a small business concern, before being awarded a contract exceeding $500,000 ($1,000,000 for construction), must demonstrate that its subcontracting plan represents a creative and innovative program for involving small, HUBZone small, small disadvantaged, women-owned, veteran-owned, and service-disabled veteran-owned small business concerns as subcontractors in the performance of this contract.
