570.309
(d) The source selection authority may reject all proposals received in response to an SFO, if doing so is in the best interest of the Government.

570.309 Debriefings.
The procedures of FAR 15.505 and 15.506 apply to leasing actions.

Subpart 570.4—Special Aspects of Contracting for Continued Space Requirements

570.401 Renewal options.
(a) Exercise of options. Before exercising an option to renew, follow the procedures in 517.202 and 517.207. The contract must first provide the right to renew the lease.
(b) Market survey. Before exercising an option to renew a lease, review current market information to ensure the rental rate in the option is fair and reasonable.

570.402 Succeeding leases.
570.402–1 General.
(a) If a succeeding lease for the continued occupancy of space in a building does not exceed the simplified lease acquisition threshold, you may use the simplified procedures in 570.2. Explain the absence of competition in the contract file.
(b) If a succeeding lease will exceed the simplified lease acquisition threshold, you may enter into the lease under either of the following conditions:
(1) You do not identify any potential acceptable locations.
(2) You identify potential acceptable locations, but a cost-benefit analysis indicates that award to an offeror other than the present lessor will result in substantial relocation costs or duplication of costs to the Government, and the Government cannot expect to recover such costs through competition.

570.402–2 Publicizing/Advertising.
Publish a notice if required by 505.101(c). The notice should:
(a) Indicate the Government’s lease is expiring.
(b) Describe the requirement in terms of type and quantity of space.
(c) Indicate the Government is interested in considering alternative space if economically advantageous.
(d) Advise prospective offerors that the Government will consider the cost of moving, alterations, etc., when deciding whether it should relocate.
(e) Provide a contact person for those interested in providing space to the Government.

570.402–3 Market survey.
Conduct a market survey following 570.301.

570.402–4 No potential acceptable locations.
If you do not identify any potential acceptable locations through the advertisement or the market survey, you may prepare a justification to negotiate directly with the present lessor. Fully document the efforts to locate alternative sources. Prepare the justification and obtain approval following FAR 6.3 and 506.3.

570.402–5 Potential acceptable locations.
If you identify potential acceptable locations through the advertisement or market survey, conduct a cost-benefit analysis following the procedures in 570.402–6. Based on the results of the cost-benefit analysis, take appropriate action as follows:
(a) If the cost-benefit analysis indicates that the Government will recover relocation costs and duplication of costs through competition, develop an SFO and negotiate with all interested parties following 570.3.
(b) If the cost-benefit analysis indicates that the Government cannot expect to recover relocation costs and duplication of costs through competition, prepare a justification for approval in accordance with FAR 6.3 and 506.3. Explain both:
(1) How you performed the cost-benefit analysis.
(2) That the cost-benefit analysis indicates that award to any other offeror will likely result in substantial costs to the Government that the Government cannot expect to recover through competition.
