1252.237–70 Qualifications of contractor employees.

As prescribed in (TAR) 48 CFR 1237.110(a), insert the following clause:

QUALIFICATIONS OF CONTRACTOR EMPLOYEES (APR 2005)

a. Definitions. As used in this clause— "Sensitive Information" is any information that, if subject to unauthorized access, modification, loss, or misuse, or is proprietary data, could adversely affect the national interest, the conduct of Federal programs, or the privacy of individuals specified in the Privacy Act, 5 U.S.C. 552a, but has not been specifically authorized under criteria established by an Executive Order or an Act of Congress to be kept secret in the interest of national defense or foreign policy.

b. Work under this contract may involve access to sensitive information which shall not be disclosed by the contractor unless authorized in writing by the contracting officer. To protect sensitive information, the contractor shall provide training to any contractor employees authorized to access sensitive information, and upon request of the Government, provide information as to an individual's suitability to have authorization.

c. The Contracting Officer may require disbarment from work those employees deemed incompetent, careless, insubordinate, unsuitable, or otherwise objectionable, or whose continued employment is deemed contrary to the public interest or inconsistent with the best interest of national security.

d. Contractor employees working on this contract must complete such forms, as may be necessary for security or other reasons, including the conduct of background investigations to determine suitability. Completed forms shall be submitted as directed by the Contracting Officer. Upon the Contracting Officer's request, the Contractor's employees shall be fingerprinted, or subject to other investigations as required.

e. The Contractor shall ensure that contractor employees are:

(1) Citizens of the United States of America or an alien who has been lawfully admitted for permanent residence or employment (indicated by immigration status) as evidenced Bureau of Citizenship and Immigration Services documentation; and

(2) Have background investigations according to DOT Order 1630.2B, Personnel Security Management.

f. The Contractor shall immediately notify the contracting officer when an employee no longer requires access to DOT computer systems due to transfer, completion of a project retirement or termination of employment.

g. The Contractor shall include the substance of this clause in all subcontracts at any tier where the subcontractor may have access to Government facilities, sensitive information, or resources.

(End of clause)

1252.237–71 Certification of data.

As prescribed in (TAR) 48 CFR 1213.7101 and 1237.7003, insert the following provision:

CERTIFICATION OF DATA (APR 2005)

NOTICE: The Secretary of Transportation has determined that this certification shall be retained in accordance with Section 4301(b)(1)(B)(ii) of the Federal Acquisition Reform Act (Public Law 104–106, 41 U.S.C. 425, note) and DOT Memorandum dated July 17, 1996.

(a) The offeror represents and certifies that to the best of its knowledge and belief, the information and/or data (e.g., company profile; qualifications; background statements; brochures) submitted with its offer is current, accurate, and complete as of the date of its offer.

(b) The offeror understands that any inaccurate data provided to the Department of Transportation may subject the offeror, its subcontractors, its employees, or its representatives to: (1) prosecution for false statements pursuant to 18 U.S.C. 1001 and/or; (2) enforcement action for false claims or statements pursuant to the Program Fraud Civil Remedies Act of 1986, 31 U.S.C. 3801–3812 and 49 CFR part 31 and/or; (3) termination for default under any contract resulting from its offer and/or; (4) debarment or suspension.

(c) The offeror agrees to obtain a similar certification from its subcontractors.

1252.239–70 Security requirements for unclassified information technology resources.

As prescribed in (TAR) 48 CFR 1239.70, insert the following clause:

SECURITY REQUIREMENTS FOR UNCLASSIFIED INFORMATION TECHNOLOGY RESOURCES (APR 2005)

(a) The Contractor shall be responsible for Information Technology security for all systems connected to a Department of Transportation (DOT) network or operated by the Contractor for DOT, regardless of location. This clause is applicable to all or any part of the contract that includes information technology resources or services in which the Contractor has physical or electronic access to DOT’s sensitive information that directly supports the mission of DOT. The term “information technology,” as used in this clause, means any equipment or interconnected system or subsystem of equipment, including telecommunications equipment, that is used in the automatic acquisition, storage, manipulation, management, movement, control, display, switching, interchange, transmission, or reception of data or information. This includes both major applications and general support systems as defined by OMB Circular A–130. Examples of tasks that require security provisions include:

1. Hosting of DOT e-Government sites or other IT operations;
2. Acquisition, transmission or analysis of data owned by DOT with significant replacement cost should the contractor’s copy be corrupted; and
3. Access to DOT general support systems/major applications at a level beyond that granted the general public, e.g. bypassing a firewall.

(b) The Contractor shall develop, provide, implement, and maintain an IT Security Plan. This plan shall describe the processes and procedures that will be followed to ensure appropriate security of IT resources that are developed, processed, or used under this contract. The plan shall describe those parts of the contract to which this clause applies. The Contractor’s IT Security Plan shall comply with applicable Federal Laws that include, but are not limited to, 40 U.S.C. 11331, the Federal Information Security Management Act (FISMA) of 2002 and the E-Government Act of 2002. The plan shall meet IT security requirements in accordance with Federal and DOT policies and procedures, as they may be amended from time to time during the term of this contract that include, but are not limited to:

2. National Institute of Standards and Technology (NIST) Guidelines;
3. Departmental Information Resource Management Manual (DIRMM) and associated guidelines; and
4. DOT Order 1630.2B, Personnel Security Management

(c) Within 30 days after contract award, the contractor shall submit the IT Security Plan to the DOT Contracting Officer for acceptance. This plan shall be consistent with and further detail the approach contained in
