Department of Energy

Energy and Transportation Management, require contracts for the operation of Government-owned facilities or Government-owned motor vehicle fleets to include provisions that obligate the contractor to comply with the requirements of Executive Order 13423 to the same extent as the Federal agency would be required to comply if the agency operated the facility or fleet.

Subpart 923.4—Use of Recovered Materials

923.405 Procedures.

(e) When acquiring items designated in the EPA Comprehensive Procurement Guidelines, the EPA recommended percentage of recovered/recycled content or range of content contained in the Recovered Materials Advisory Notice (RMAN) shall be specified in the solicitation and contract as the minimum percentage of recovered/recycled content or range of content. Acquisition of a product with recycled content exceeding the RMAN recommended content or range of content is encouraged if the product performs acceptably.
