Subpart 926.70—Implementation of Section 3021 of the Energy Policy Act of 1992

926.7001 Policy.

(a) Section 3021(a) of the Energy Policy Act of 1992 (Pub. L. 102–486) specifies that the Department of Energy shall, to the extent practicable, provide that not less than 10 percent of the total combined amounts obligated for competitively awarded contracts and subcontracts under the Energy Policy Act be expended with—

(1) Small business concerns controlled by socially and economically disadvantaged individuals or by women;
(2) Historically Black colleges and universities; or
(3) Colleges and universities having a student body in which more than 20 percent of the students are Hispanic Americans or Native Americans.

(b) These three groups are collectively referred to in this section as “Energy Policy Act target groups.”

(c) Awards of Energy Policy Act procurements should be in the following descending order of preference:

(1) Competitive awards pursuant to a set-aside for small disadvantaged business;
(2) Competitive awards to small businesses owned and controlled by socially and economically disadvantaged individuals and by women for Energy Policy Act requirements under the Small Business Administration’s section 8(a) program; and
(3) Competitive awards that provide an evaluation preference in accordance with 926.7006 to offerors from the Energy Policy Act target groups.

(d) The DOE implementation of Section 3021 requirements with regard to the award of subcontracts under Energy Policy Act procurements is discussed at 926.7006.

(e) Competitive procedures, for purposes of Energy Policy Act implementation, consist of awards under set-asides to small disadvantaged business and firms certified as 8(a) Small Business Administration and competitive procedures in accordance with (FAR) 48 CFR 15.6 and (DEAR) 48 CFR 915.6.

926.7002 Responsibilities.

Offices initiating procurement requests have primary responsibility to identify potential contract requirements falling within the scope of section 3021 of the Energy Policy Act. Identification shall occur at the earliest possible point in time in the acquisition cycle, but not later than the submission of the procurement request to the contracting officer. For purposes of Section 3021, a contract requirement is any award that directly satisfies an Energy Policy Act program or requirement.

926.7003 Review of the procurement request.

Any Energy Policy Act procurement, including basic research contracts with educational institutions, shall be reviewed in accordance with the Small Business and 8(a) Program Review Procedures in order to ensure that full consideration is given to the potential for making Energy Policy Act awards.

The size standard for Energy Policy Act engineering services procurements (SIC 8711) shall be the size standard specified for military and aerospace equipment and military weapons.

(a) Prime contracts. Solicitations for all competitive Energy Policy Act procurements not for 8(a) firms and in excess of the simplified acquisition threshold shall provide for an evaluation preference for offers received from entities from among the Energy Policy Act target groups. The evaluation criteria shall provide that in instances in which two or more proposals being considered for final selection are ranked as essentially equal after consideration of all technical and cost evaluation factors, and if one of these proposals is
