the DEAR) to include in management and operating contracts.

[65 FR 81009, Dec. 22, 2000, as amended at 74 FR 36370, July 22, 2009]

970.0103 Publication and codification.

(a) *Organization of part 970.* (1) To the extent possible, the titles and text of the subparts, sections, and subsections of this part are numbered to correspond with related material that is contained in the FAR.

(2) The number to the left of the decimal point represents the DEAR part number (i.e., 970). The numbers to the right of the decimal point and to the left of the dash represent, in order, the DEAR subpart (first two digits), and the DEAR section number (second two digits). The numbers to the right of the dash represent the DEAR subsection. A second dash may follow the DEAR subsection number. As applicable, numbers to the right of the second dash represent subordinate subsections.

(3) To the extent practicable, the subpart number corresponds with the FAR part which contains related coverage, and the section number corresponds with the FAR subpart which contains related coverage (e.g., the coverage contained in DEAR 970.0309 corresponds with material contained in FAR 3.9).

(4) Where the FAR does not contain related coverage on a particular subject, the DEAR section number will be numbered using numbers of 70 and up (e.g., 970.0370).

(b) *Special Note Regarding Clause Numbering.* The section number for clauses prescribed in part 970 are numbered to correspond with the subpart in which the clause is prescribed (e.g., 970.5203-1 is prescribed for use at subpart 970.03).

Subpart 970.03—Improper Business Practices and Personal Conflicts of Interest

970.0309 Whistleblower Protection of Contractor Employees.

970.0309-1 Applicability.

The contracting officer shall refer to subpart 903.9 regarding the applicability of the DOE Employee Protection

Program to management and operating contracts.

970.0370 Management Controls and Improvements.

970.0370-1 Policy.

(a) Management and operating contractors shall develop and maintain systems of management and quality control to discourage waste, fraud and abuse; and to ensure that components, products, and services that are provided to the Department of Energy (DOE) satisfy the contractor's obligations under the contract.

(b) As a part of the required overall management structure, the contractor must maintain management control systems which, in compliance with the requirements of the clause at 970.5203-1—

(1) Are documented and satisfactory to DOE;

(2) Ensure that all levels of management are accountable for effective management systems and internal controls within their areas of assigned responsibility;

(3) Cover both programmatic and administrative functions;

(4) Provide reasonable assurance that Government resources are safeguarded against theft, fraud, waste, and unauthorized use;

(5) Promote efficient and effective operations;

(6) Ensure that all obligations and costs incurred are in compliance with the intended purposes and the terms and conditions of the contract;

(7) Properly record, manage, and report all revenues, expenditures, transactions and assets;

(8) Maintain financial, statistical and other reports necessary to maintain accurate, reliable, and timely accountability and management controls; and

(9) Are periodically reviewed to ensure that the systems provide reasonable assurance that the objectives of the system are being accomplished and that these controls are working effectively.
