(a) *Investigation and referral*—(1) *Contracting officer responsibility.* (i) When

contracting personnel discover information which indicates that a cause for debarment may exist, they shall promptly report such information to the cognizant Chief of the Contracting Office (CCO). Purchasing agents in simplified acquisition activities which do not come under the direct cognizance of a CCO shall report such information by memorandum, through their immediate supervisor, and addressed to the cognizant CCO responsible for their office's contract acquisitions.

(ii) Contracting officers shall review "The List of Parties Excluded from Federal Procurement and Nonprocurement Programs" to ensure that the Agency does not solicit offers from, award contracts to, or consent to subcontracts with listed contractors.

(2) *Chief of the Contracting Office responsibility.* When the Chief of the Contracting Office determines that sufficient information is available to indicate that a cause for debarment may exist, such information shall be promptly reported by memorandum to the HCA. The memorandum provides the Chief of the Contracting Office's assessment of the information, any investigative report or audit, and any additional information he/she has discovered.

(3) *HCA responsibility.* Upon receipt of a report of a suspected debarment situation, the HCA shall take the following actions:

(i) Notify the Director, Suspension and Debarment Division, that investigation of a potential debarment has been initiated.

(ii) Review the reported information.

(iii) Investigate as necessary to verify or develop additional information.

(iv) Refer the matter through the Suspension and Debarment Division to the Debarring Official for consideration of debarment; request that the Suspension and Debarment Division evaluate the information and, if appropriate, refer the matter to the Debarring Official for consideration of debarment; or recommend to the Suspension and Debarment Division that the matter be closed without further action because the facts do not warrant debarment.
