(iii) A sum, as profit on subdivision (e)(2)(i) of this clause, determined by the Contracting Officer under 49.202 of the Federal Acquisition Regulation, in effect on the date of this contract, to be fair and reasonable.

(ii) The termination and settlement of subcontracts (excluding the amounts of such settlements); and

(f) The cost principles and procedures of part 31 of the Federal Acquisition Regulation, in effect on the date of this contract, shall govern all costs claimed, agreed to, or determined under this clause.

(g) The Carrier shall have the right of appeal, under the Disputes clause, from any determination made by the Contracting Officer under paragraph (c), (e), or (i) of this clause, except that if the Carrier failed to submit the termination settlement proposal or request for equitable adjustment within the time provided in paragraph (c) or (i), respectively, and failed to request a time extension, there is no right of appeal.

(k) Unless otherwise provided in this contract or by statute, the Carrier shall maintain all records and documents relating to the terminated portion of this contract for 3 years after final settlement. This includes all books and other evidence bearing on the Carrier's costs and expenses under this contract. The Carrier shall make these records and documents available to the Government, at the Carrier's office, at all reasonable times, without any direct charge. If approved by the Contracting Officer, photographs, microphotographs, or other authentic reproductions may be maintained instead of original records and documents.

1652.249-72 FEHBP termination for default—negotiated benefits contracts.

As prescribed in §1649.101-72, the following clause shall be inserted in all FEHBP contracts.

**FEHBP TERMINATION FOR DEFAULT—
NEGOTIATED BENEFITS CONTRACTS (JAN 1998)**

(a) (1) The Government may, subject to paragraphs (c) and (d) below, by written notice of default to the Carrier, terminate this contract in whole or in part if the Carrier fails to—

(i) Perform the services within the time specified in this contract or any extension;

(ii) Make progress, so as to endanger performance of this contract (but see subparagraph (a)(2) below); or

(iii) Perform any of the other provisions of this contract (but see subparagraph (a)(2) below).

(2) The Government's right to terminate this contract under subdivisions (1)(ii) and (1)(iii) above, may be exercised if the Carrier does not cure such failure within 10 days (or more if authorized in writing by the Contracting Officer) after receipt of the notice from the Contracting Officer specifying the failure.

(b) If the Government terminates this contract in whole or in part, it may acquire, under the terms and in the manner the Contracting Officer considers appropriate, supplies or service similar to those terminated,

and the Carrier will be liable to the Government for any excess costs for those supplies or services. However, the Carrier shall continue the work not terminated.

(c) Except for defaults of subcontractors at any tier, the Carrier shall not be liable for any excess costs if the failure to perform the contract arises from causes beyond the control and without the fault or negligence of the Carrier. Examples of such causes include (1) acts of God or of the public enemy, (2) acts of the Government in either its sovereign or contractual capacity, (3) fires, (4) floods, (5) epidemics, (6) quarantine restrictions, (7) strikes, (8) freight embargoes, and (9) unusually severe weather. In each instance the failure to perform must be beyond the control and without the fault or negligence of the Carrier.

(d) If the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is beyond the control of both the Carrier and subcontractor, and without the fault or negligence of either, the Carrier shall not be liable for any excess costs for failure to perform, unless the subcontracted supplies or services were obtainable from other sources in sufficient time for the Carrier to meet the required delivery schedule.

(e) If this contract is terminated for default, the Government may require the Carrier to transfer title and deliver to the Government, as directed by the Contracting Officer, any completed or partially completed information and contract rights that the Carrier has specifically produced or acquired for the terminated portion of this contract.

(f) If, after termination, it is determined that the Carrier was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as

if the termination had been issued for the convenience of the Government.

(g) The rights and remedies of the Government in this clause are in addition to any other rights and remedies provided by law or under this contract.

Subpart 1652.3—FEHBP Clause Matrix

1652.370 Use of the matrix.

(a) The matrix in this section lists the FAR and FEHBP clauses to be used with contracts based on cost analysis and contracts based on a combination of cost and price analysis. Carriers shall submit initial applications and requests for renewals on the basis that the new contract or contract renewal will include the clauses indicated.

(b) Certain contract clauses are mandatory for FEHBP contracts. Other clauses are to be used only when made applicable by pertinent sections of the FAR or FEHBP. An “M” in the “Use Status” column indicates that the clause is mandatory. An “A” indicates that the clause is to be used only when the applicable conditions are met.

(c) Clauses are incorporated in the contract either in full text or by reference. If the full text is to be used, the matrix indicates a “T”. If the clause is incorporated by reference, the matrix indicates an “R”.
