Unless expressly provided for in the bid, no additional charge will be allowed for work performed under the contract other than the unit prices stipulated for each item and/or sub-item.

(c) Any bid which is materially unbalanced as to price for the separate items specified in Section B of this IFB may be rejected as nonresponsive. An unbalanced bid is defined as one which is based on prices which, in the opinion of the NRC, are significantly less than cost for some work and/or prices that may be significantly overstated for other work.
