2919.202-1 Encouraging small business participation in acquisitions.

Conversely, prime small businesses will be compared favorably to large businesses with subcontract goals, but may also be given the maximum score for qualifying under multiple small business categories. Contracting officers may also make available a significant number of award points for performance against previous subcontracting plan goals and efforts to achieve those goals.

2919.705-5 Awards involving subcontracting plans.

The Office of Small Business Programs will review subcontracting plans and SF 295 submissions for performance against business goals negotiated between the Department of Labor and the Small Business Administration.
