

comparable replacement dwelling is made available. This section applies only to persons who would otherwise have been displaced by the project. (See appendix A, § 24.206.)

§ 24.207 General requirements—claims for relocation payments.

(a) *Documentation.* Any claim for a relocation payment shall be supported by such documentation as may be reasonably required to support expenses incurred, such as bills, certified prices, appraisals, or other evidence of such expenses. A displaced person must be provided reasonable assistance necessary to complete and file any required claim for payment.

(b) *Expeditious payments.* The Agency shall review claims in an expeditious manner. The claimant shall be promptly notified as to any additional documentation that is required to support the claim. Payment for a claim shall be made as soon as feasible following receipt of sufficient documentation to support the claim.

(c) *Advanced payments.* If a person demonstrates the need for an advanced relocation payment in order to avoid or reduce a hardship, the Agency shall issue the payment, subject to such safeguards as are appropriate to ensure that the objective of the payment is accomplished.

(d) *Time for filing.* (1) All claims for a relocation payment shall be filed with the Agency no later than 18 months after:

(i) For tenants, the date of displacement.

(ii) For owners, the date of displacement or the date of the final payment for the acquisition of the real property, whichever is later.

(2) The Agency shall waive this time period for good cause.

(e) *Notice of denial of claim.* If the Agency disapproves all or part of a payment claimed or refuses to consider the claim on its merits because of untimely filing or other grounds, it shall promptly notify the claimant in writing of its determination, the basis for its determination, and the procedures for appealing that determination.

(f) *No waiver of relocation assistance.* A displacing Agency shall not propose or request that a displaced person waive

his or her rights or entitlements to relocation assistance and benefits provided by the Uniform Act and this regulation.

(g) *Expenditure of payments.* Payments, provided pursuant to this part, shall not be considered to constitute Federal financial assistance. Accordingly, this part does not apply to the expenditure of such payments by, or for, a displaced person.

§ 24.208 Aliens not lawfully present in the United States.

(a) Each person seeking relocation payments or relocation advisory assistance shall, as a condition of eligibility, certify:

(1) In the case of an individual, that he or she is either a citizen or national of the United States, or an alien who is lawfully present in the United States.

(2) In the case of a family, that each family member is either a citizen or national of the United States, or an alien who is lawfully present in the United States. The certification may be made by the head of the household on behalf of other family members.

(3) In the case of an unincorporated business, farm, or nonprofit organization, that each owner is either a citizen or national of the United States, or an alien who is lawfully present in the United States. The certification may be made by the principal owner, manager, or operating officer on behalf of other persons with an ownership interest.

(4) In the case of an incorporated business, farm, or nonprofit organization, that the corporation is authorized to conduct business within the United States.

(b) The certification provided pursuant to paragraphs (a)(1), (a)(2), and (a)(3) of this section shall indicate whether such person is either a citizen or national of the United States, or an alien who is lawfully present in the United States. Requirements concerning the certification in addition to those contained in this rule shall be within the discretion of the Federal funding Agency and, within those parameters, that of the displacing Agency.

(c) In computing relocation payments under the Uniform Act, if any

member(s) of a household or owner(s) of an unincorporated business, farm, or nonprofit organization is (are) determined to be ineligible because of a failure to be legally present in the United States, no relocation payments may be made to him or her. Any payment(s) for which such household, unincorporated business, farm, or nonprofit organization would otherwise be eligible shall be computed for the household, based on the number of eligible household members and for the unincorporated business, farm, or nonprofit organization, based on the ratio of ownership between eligible and ineligible owners.

(d) The displacing Agency shall consider the certification provided pursuant to paragraph (a) of this section to be valid, unless the displacing Agency determines in accordance with paragraph (f) of this section that it is invalid based on a review of an alien's documentation or other information that the Agency considers reliable and appropriate.

(e) Any review by the displacing Agency of the certifications provided pursuant to paragraph (a) of this section shall be conducted in a non-discriminatory fashion. Each displacing Agency will apply the same standard of review to all such certifications it receives, except that such standard may be revised periodically.

(f) If, based on a review of an alien's documentation or other credible evidence, a displacing Agency has reason to believe that a person's certification is invalid (for example a document reviewed does not on its face reasonably appear to be genuine), and that, as a result, such person may be an alien not lawfully present in the United States, it shall obtain the following information before making a final determination:

(1) If the Agency has reason to believe that the certification of a person who has certified that he or she is an alien lawfully present in the United States is invalid, the displacing Agency shall obtain verification of the alien's status from the local Bureau of Citizenship and Immigration Service (BCIS) Office. A list of local BCIS offices is available at <http://www.uscis.gov/graphics/fieldoffices/>

alphaa.htm. Any request for BCIS verification shall include the alien's full name, date of birth and alien number, and a copy of the alien's documentation. (If an Agency is unable to contact the BCIS, it may contact the FHWA in Washington, DC, Office of Real Estate Services or Office of Chief Counsel for a referral to the BCIS.)

(2) If the Agency has reason to believe that the certification of a person who has certified that he or she is a citizen or national is invalid, the displacing Agency shall request evidence of United States citizenship or nationality from such person and, if considered necessary, verify the accuracy of such evidence with the issuer.

(g) No relocation payments or relocation advisory assistance shall be provided to a person who has not provided the certification described in this section or who has been determined to be not lawfully present in the United States, unless such person can demonstrate to the displacing Agency's satisfaction that the denial of relocation assistance will result in an exceptional and extremely unusual hardship to such person's spouse, parent, or child who is a citizen of the United States, or is an alien lawfully admitted for permanent residence in the United States.

(h) For purposes of paragraph (g) of this section, "exceptional and extremely unusual hardship" to such spouse, parent, or child of the person not lawfully present in the United States means that the denial of relocation payments and advisory assistance to such person will directly result in:

(1) A significant and demonstrable adverse impact on the health or safety of such spouse, parent, or child;

(2) A significant and demonstrable adverse impact on the continued existence of the family unit of which such spouse, parent, or child is a member; or

(3) Any other impact that the displacing Agency determines will have a significant and demonstrable adverse impact on such spouse, parent, or child.

(i) The certification referred to in paragraph (a) of this section may be included as part of the claim for relocation payments described in §24.207 of this part.

(Approved by the Office of Management and Budget under control number 2105-0508.)

§ 24.209 Relocation payments not considered as income.

No relocation payment received by a displaced person under this part shall be considered as income for the purpose of the Internal Revenue Code of 1954, which has been redesignated as the Internal Revenue Code of 1986 (Title 26, U.S. Code), or for the purpose of determining the eligibility or the extent of eligibility of any person for assistance under the Social Security Act (42 U.S. Code 301 *et seq.*) or any other Federal law, except for any Federal law providing low-income housing assistance.
