(3) Level-entry boarding assistance under the agreement is not required with respect to float planes or with respect to any widebody aircraft determined by the Department of Transportation to be unsuitable for boarding assistance by lift, ramp, or other device on the basis that no existing boarding assistance device on the market will accommodate the aircraft without a significant risk of serious damage to the aircraft or injury to passengers or employees.

(4) When level-entry boarding assistance is not required to be provided under paragraph (d)(3) of this section, or cannot be provided as required by paragraphs (b) and (d) of this section (e.g., because of mechanical problems with a lift), boarding assistance shall be provided by any available means to which the passenger consents, except hand-carrying as defined in 14 CFR 382.39(a)(2).

(5) The agreement shall ensure that all lifts and other accessibility equipment are maintained in proper working condition.

(e) In the event that airport personnel are involved in providing boarding assistance, the airport shall ensure that they are trained to proficiency in the use of the boarding assistance equipment used at the airport and appropriate boarding assistance procedures that safeguard the safety and dignity of passengers.

(a) *Cooperation and assistance*. The responsible Departmental official, to the

fullest extent practicable, seeks the cooperation of recipients in securing compliance with this part and provides assistance and guidance to recipients to help them comply with this part.

(b) *Compliance reports.* Each recipient shall keep on file for one year all complaints of noncompliance received. A record of all such complaints, which may be in summary form, shall be kept for five years. Each recipient shall keep such other records and submit to the responsible Departmental official or his/her designee timely, complete, and accurate compliance reports at such times, and in such form, and containing such information as the responsible Departmental official may prescribe. In the case in which a primary recipient extends Federal financial assistance to any other recipient, the other recipient shall also submit compliance reports to the primary recipient so as to enable the primary recipient to prepare its report.

(c) *Access to sources of information.* Each recipient shall permit access by the responsible Departmental official or his/her designee during normal business hours to books, records, accounts, and other sources of information, and to facilities that are pertinent to compliance with this part. Where required information is in the exclusive possession of another agency or person who fails or refuses to furnish the information, the recipient shall so certify in its report and describe the efforts made to obtain the information. Considerations of privacy or confidentiality do not bar the Department from evaluating or seeking to enforce compliance with this part. Information of a confidential nature obtained in connection with compliance evaluation or enforcement is not disclosed by the Department, except in formal enforcement proceedings, where necessary, or where otherwise required by law.

(d) *Information to beneficiaries and participants.* Each recipient shall make available to participants, beneficiaries, and other interested persons such information regarding the provisions of this regulation and its application to the program or activity for which the recipient receives Federal financial assistance, and make such information available to them in such manner, as

§ 27.123 Conduct of investigations.

(a) *Periodic compliance reviews.* The responsible Departmental official or his/her designee, from time to time, reviews the practices of recipients to determine whether they are complying with this part.

(b) *Complaints.* Any person who believes himself/herself or any specific class of individuals to be harmed by failure to comply with this part may, personally or through a representative, file a written complaint with the responsible Departmental official. A Complaint must be filed not later than 180 days from the date of the alleged discrimination, unless the time for filing is extended by the responsible Departmental official or his/her designee.

(c) *Investigations.* The responsible Departmental official or his/her designee makes a prompt investigation whenever a compliance review, report, complaint, or any other information indicates a possible failure to comply with this part. The investigation includes, where appropriate, a review of the pertinent practices and policies of the recipient, and the circumstances under which the possible noncompliance with this part occurred.

(d) *Resolution of matters.* (1) If, after an investigation pursuant to paragraph (c) of this section, the responsible Departmental official finds reasonable cause to believe that there is a failure to comply with this part, the responsible Departmental official will inform the recipient. The matter is resolved by informal means whenever possible. If the responsible Departmental official determines that the matter cannot be resolved by informal means, action is taken as provided in § 27.125.

(2) If an investigation does not warrant action pursuant to paragraph (d)(1) of this section, the responsible Departmental official or his/her designee so informs the recipient and the complainant, if any, in writing.
