

§ 28.110 Self-evaluation.

(a) The Department shall, by one year of the effective date of this part, evaluate its current policies and practices, and effects thereof, that do not or may not meet the requirements of this part, and, to the extent modification of any such policies and practices is required, the Department shall proceed to make the necessary modifications.

(b) The Department shall provide an opportunity to interested persons, including individuals with handicaps, agency employees with handicaps, and organizations representing individuals with handicaps, to participate in the self-evaluation process by submitting comments (both oral and written).

(c) The Department shall, until at least three years following completion of the evaluation required under paragraph (a) of this section, or until such time as all modifications identified by the self-evaluation to be necessary to comply with section 504 have been completed, whichever occurs later, maintain on file and make available for public inspection—

(1) A description of areas examined, regulations and nonregulatory criteria reviewed, and any problems identified; and

(2) A description of any modifications made.

§ 28.111 Notice.

The Department shall make available to employees, applicants, participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the programs or activities conducted by the Department, and make such information available to them in such manner as the Department finds necessary to apprise such persons of the protections against discrimination assured them by section 504 and this regulation.

§§ 28.112–28.129 [Reserved]

§ 28.130 General prohibition against discrimination.

(a) No qualified individual with handicaps shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the Department.

(b)(1) The Department, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangement, on the basis of handicap—

(i) Deny a qualified individual with handicaps the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified individual with handicaps an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified individual with handicaps with an aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to individuals with handicaps or to any class of individuals with handicaps than is provided to others unless such action is necessary to provide qualified individuals with handicaps with aid, benefits, or services that are as effective as those provided to others;

(v) Deny a qualified individual with handicaps the opportunity to participate as a member of planning or advisory boards; or
(vi) Otherwise limit a qualified individual with handicaps in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(2) The Department may not deny a qualified individual with handicaps the opportunity to participate in programs or activities that are not separate or different, despite the existence of permisibly separate or different programs or activities.

(3) The Department may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified individuals with handicaps to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(4) The Department may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude individuals with handicaps from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the Department; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(5) The Department, in the selection of procurement contractors, may not use criteria that subject qualified individuals with handicaps to discrimination on the basis of handicap.

(6) The Department may not administer a licensing or certification program in a manner that subjects qualified individuals with handicaps to discrimination on the basis of handicap, nor may the Department establish requirements for the programs or activities of licensees or certified entities that subject qualified individuals with handicaps to discrimination on the basis of handicap. However, the programs or activities of entities that are licensed or certified by the Department are not, themselves, covered by this part. The Department may limit the programs or activities of a licensee or certificate holder, who is a qualified individual with handicaps, to the extent necessary to ensure the safety of that person or the safety of others.

(c) The exclusion of individuals without handicaps from the benefits of a program limited by Federal statute or Executive Order to individuals with handicaps or the exclusion of a specific class of individuals with handicaps from a program limited by Federal statute or Executive Order to a different class of individuals with handicaps is not prohibited by this part.

(d) The Department shall administer programs and activities in the most integrated setting appropriate to the needs of qualified individuals with handicaps.

§ 28.131 Illegal use of drugs.

(a) General. (1) Except as provided in paragraph (b) of this section, this part does not prohibit discrimination against an individual based on that individual’s current illegal use of drugs.

(i) Has successfully completed a supervised drug rehabilitation program or has otherwise been rehabilitated successfully;

(ii) Is participating in a supervised rehabilitation program; or

(iii) Is erroneously regarded as engaging in current illegal use of drugs and who—

(b) Health and rehabilitation services. The agency shall not deny health services or services provided under titles I, II, and III of the Rehabilitation Act to an individual on the basis of that individual’s current illegal use of drugs, if the individual is otherwise entitled to such services.

(c) Drug testing. (1) This part does not prohibit the agency from adopting or administering reasonable policies or procedures, including but not limited to drug testing, designed to ensure that an individual who formerly engaged in the illegal use of drugs is not engaging in current illegal use of drugs.

(2) Nothing in paragraph (c) of this section shall be construed to encourage, prohibit, restrict, or authorize the conduct of testing for the illegal use of drugs.
