program or activity or in undue financial and administrative burdens. In those circumstances where personnel of a DOT element believe that the proposed action would fundamentally alter the program or activity or would result in an undue financial and administrative burden, the DOT element has the burden of proving that compliance with § 28.160 would result in such alteration or burden. The decision that compliance would result in such alteration or burden must be made by the Secretary or his or her designee, after considering all resources available for use in the funding and operation of the program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the Department shall take any other action that would not result in such an alteration or such a burden but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity.
