§ 7.6 Deletion of identifying detail.

Whenever it is determined to be necessary to prevent a clearly unwarranted invasion of personal privacy, identifying details will be deleted from any record covered by this subpart that is published or made available for inspection. Whenever it is determined to be necessary to prevent the disclosure of information required or authorized to be withheld by another Federal statute, such information shall be deleted from any record covered by this subpart that is published or made available for inspection. A full explanation of the justification for the deletion will accompany the record published or made available for inspection.

§ 7.7 Access to materials and indices.

(a) Except as provided in paragraph (b) of this section, material listed in §7.5 will be made available for inspection and copying to any member of the public at DOT document inspection facilities. It has been determined that it is unnecessary and impracticable to publish the index of materials in the Federal Register. Information as to the kinds of materials available at each facility may be obtained from the facility or the headquarters of the DOT component of which it is a part.

(b) The material listed in §7.5 that is published and offered for sale will be indexed, but is not required to be kept available for public inspection. Whenever practicable, however, it will be made available for public inspection at the appropriate DOT reading room.

(c) Each DOT component will also make the reading room records identified in section 7.5(a) that are created by DOT on or after November 1, 1996, available electronically. This includes indices of its reading room records as required by law after December 1, 1999.

§ 7.8 Copies

Copies of any material covered by this subpart that is not published and offered for sale may be ordered, upon payment of the appropriate fee, from the Docket Offices listed in §7.10. Copies will be certified upon request and payment of the fee prescribed in §7.43(f).

§ 7.9 Protection of records.

(a) Records made available for inspection and copying may not be removed, altered, destroyed, or mutilated.

(b) 18 U.S.C. 641 provides for criminal penalties for embezzlement or theft of government records.

(c) 18 U.S.C. 2071 provides for criminal penalties for the willful and unlawful concealment, mutilation or destruction of, or the attempt to conceal, mutilate, or destroy, government records.
