§ 385.107 Operating within the United States a motor vehicle that is not insured as required by part 387 of this chapter.

(7) Having a driver or vehicle out-of-service rate of 50 percent or more based upon at least three inspections occurring within a consecutive 90-day period.

(b) Failure to respond to an agency demand for a written response demonstrating corrective action within 30 days will result in the suspension of the carrier’s provisional operating authority or provisional Certificate of Registration until the required showing of corrective action is submitted to the FMCSA.

(c) A satisfactory response to a written demand for corrective action does not excuse a carrier from the requirement that it undergo a safety audit or compliance review, as appropriate, during the provisional registration period.

§ 385.107 The safety audit.

(a) The criteria used in a safety audit to determine whether a Mexico-domiciled carrier exercises the necessary basic safety management controls are specified in Appendix A to this part.

(b) If the FMCSA determines, based on the safety audit, that the Mexico-domiciled carrier has adequate basic safety management controls, the FMCSA will provide the carrier written notice of this finding as soon as practicable, but not later than 45 days after the completion of the safety audit. The carrier’s Certificate of Registration will remain provisional and the carrier’s on-highway performance will continue to be closely monitored for the remainder of the 18-month provisional registration period.

(c) If the FMCSA determines, based on the safety audit, that the Mexico-domiciled carrier’s basic safety management controls are inadequate, it will initiate a suspension and revocation proceeding in accordance with §385.111 of this subpart.

(d) The safety audit is also used to assess the basic safety management controls of Mexico-domiciled applicants for provisional operating authority to operate beyond United States municipalities and commercial zones on the United States-Mexico border under §365.507 of this subchapter.

§ 385.109 The compliance review.

(a) The criteria used in a compliance review to determine whether a Mexico-domiciled carrier granted provisional operating authority under §365.507 of this subchapter exercises the necessary basic safety management controls are specified in Appendix B to this part.

(b) Satisfactory rating. If the FMCSA assigns a Mexico-domiciled carrier a Satisfactory rating following a compliance review conducted under this subpart, the FMCSA will provide the carrier written notice as soon as practicable, but not later than 45 days after the completion of the compliance review. The carrier’s operating authority will remain in provisional status and its on-highway performance will continue to be closely monitored for the remainder of the 18-month provisional registration period.

(c) Conditional rating. If the FMCSA assigns a Mexico-domiciled carrier a Conditional rating following a compliance review conducted under this subpart, it will initiate a revocation proceeding in accordance with §385.111 of this subpart. The carrier’s provisional operating authority will not be suspended prior to the conclusion of the revocation proceeding.

(d) Unsatisfactory rating. If the FMCSA assigns a Mexico-domiciled carrier an Unsatisfactory rating following a compliance review conducted under this subpart, it will initiate a suspension and revocation proceeding in accordance with §385.111 of this subpart.

§ 385.111 Suspension and revocation of Mexico-domiciled carrier registration.

(a) If a carrier is assigned an “Unsatisfactory” safety rating following a compliance review conducted under this subpart, or a safety audit conducted under this subpart determines that a carrier does not exercise the basic safety management controls necessary to ensure safe operations, the FMCSA will provide the carrier written notice, as soon as practicable, that its registration will be suspended effective
