

manufacturer or allied supplier requests information, the outside supplier shall provide the manufacturer/allied supplier with a certificate providing the following information:

(1) The name and address of the supplier;

(2) A description of the unique type of equipment;

(3) The price of the equipment to the manufacturer or allied supplier;

(4) A statement that the equipment has, or does not have, at least 70 percent of its value added in the United States and Canada, determined under § 583.6(c);

(5) For equipment which has less than 70 percent of its value added in the United States and Canada,

(i) The country of origin of the equipment, determined under § 583.7(c); and

(ii) The percent of its value added in the United States and Canada, to the nearest 5 percent, determined under § 583.6(c).

(6) For equipment that may be used in an engine or transmission, the country of origin of the equipment, determined under § 583.8(c);

(7) A certification for the information, pursuant to § 583.13, and the date (at least giving the month and year) of the certification.

(8) A single certificate may cover multiple items of equipment.

(b) The information and certification required by paragraph (a) of this section shall be provided to the manufacturer or allied supplier no later than 45 days after receipt of the request, or the date specified by the manufacturer/allied supplier, whichever is later. (A manufacturer or allied supplier may request that the outside supplier voluntarily provide the information and certification at an earlier date.)

(c)(1) Except as provided in paragraph (c)(2) of this section, the information provided in the certificate shall be the supplier's best estimates of price, content, and country of origin for the unique type of equipment expected to be supplied during the 12 month period beginning on the first July 1 after receipt of the request. If the unique type of equipment supplied by the supplier is expected to vary with respect to price, content, and country of origin during that period, the supplier shall

base its estimates on expected averages for these factors.

(2) The 12 month period specified in (c)(1) may be varied in time and length by the manufacturer or allied supplier if it determines that the alteration is not likely to result in less accurate information being provided to consumers on the label required by this part.

(d) For outside suppliers of engines and transmissions, the information and certification required by this section is in addition to that required by § 583.12.

[59 FR 37330, July 21, 1994, as amended at 64 FR 40781, July 28, 1999]

§ 583.11 Allied suppliers of passenger motor vehicle equipment.

(a) For each unique type of passenger motor vehicle equipment which an allied supplier supplies to the manufacturer with which it is allied, the allied supplier shall provide the manufacturer with a certificate providing the following information:

(1) The name and address of the supplier;

(2) A description of the unique type of equipment;

(3) The price of the equipment to the manufacturer;

(4) The percentage U.S./Canadian content of the equipment, determined under § 583.6(c);

(5) The country of origin of the equipment, determined under § 583.7(c);

(6) For equipment that may be used in an engine or transmission, the country of origin of the equipment, determined under § 583.8(c);

(7) A certification for the information, pursuant to § 583.13, and the date (at least giving the month and year) of the certification.

(8) A single certificate may cover multiple items of equipment.

(b)(1) Except as provided in paragraph (b)(2) of this section, the information provided in the certificate shall be the supplier's best estimates of price, content, and country of origin for the unique type of equipment expected to be supplied during the 12 month period beginning on the first July 1 after receipt of the request. If the unique type of equipment supplied by the supplier is expected to vary with respect to price, content, and country

§ 583.12

of origin during that period, the supplier shall base its estimates on expected averages for these factors.

(2) The 12 month period specified in (b)(1) may be varied in time and length by the manufacturer if it determines that the alteration is not likely to result in less accurate information being provided to consumers on the label required by this part.

(c) [Reserved]

(d) For allied suppliers of engines and transmissions, the information and certification required by this section is in addition to that required by § 583.12.

§ 583.12 Suppliers of engines and transmissions.

(a) For each engine or transmission for which a manufacturer or allied supplier requests information, the supplier of such engine or transmission shall provide the manufacturer or allied supplier with a certificate providing the following information:

(1) The name and address of the supplier;

(2) A description of the engine or transmission;

(3) The country of origin of the engine or transmission, determined under § 583.8;

(4) A certification for the information, pursuant to § 583.13, and the date (at least giving the month and year) of the certification.

(b) The information provided in the certificate shall be the supplier's best estimate of country of origin for the unique type of engine or transmission. If the unique type of equipment used in the engine or transmission is expected to vary with respect to price, content, and country of origin during that period, the supplier shall base its country of origin determination on expected averages for these factors.

(c) The information and certification required by paragraph (a) of this section shall be provided by outside suppliers to the manufacturer or allied supplier no later than 45 days after receipt of the request, or the date specified by the manufacturer/allied supplier, whichever is later. (A manufacturer or allied supplier may request that the outside supplier voluntarily provide the information and certification at an earlier date.)

49 CFR Ch. V (10–1–10 Edition)

(d) In the event that, during a model year, a supplier of engines or transmissions produces an engine of a new displacement or transmission of a new type or produces the same engine displacement or transmission in a different plant, the supplier shall notify the manufacturer of the origin of the new engine or transmission prior to shipment of the first engine or transmission that will be installed in a passenger motor vehicle intended for public sale.

(e) A single certificate may cover multiple engines or transmissions. If a certificate provided in advance of the delivery of an engine or transmission becomes inaccurate because of changed circumstances, a corrected certificate shall be provided no later than the time of delivery of the engine or transmission.

(f) For suppliers of engines and transmissions, the information and certification required by this section is in addition to that required by §§ 583.10 and 583.11.

§ 583.13 Supplier certification and certificates.

Each supplier shall certify the information on each certificate provided under §§ 583.10, 583.11, and 583.12 by including the following phrase on the certificate: "This information is certified in accordance with DOT regulations." The phrase shall immediately precede the other information on the certificate. The certificate may be submitted to a manufacturer or allied supplier in any mode (e.g., paper, electronic) provided the mode contains all information in the certificate.

§ 583.14 Currency conversion rate.

For purposes of calculations of content value under this part, manufacturers and suppliers shall calculate exchange rates using the methodology set forth in this section.

(a) *Manufacturers.* (1) Unless a manufacturer has had a petition approved by the Environmental Protection Agency under 40 CFR 600.511–80(b)(1), for all calculations made by the manufacturer as a basis for the information provided on the label required by § 583.5, manufacturers shall take the mean of the exchange rates in effect at the end of
