

§ 1152.13

Public Service Commission (or equivalent agency) and the designated state agency of each state within which the carrier operates or owns a line of railroad.

(c) The carrier shall: (1) Publish in a newspaper of general circulation in each county containing category 1 through 3 lines or lines being revised, a notice containing:

(i) A black-and-white copy of the system diagram map (or a portion of the map clearly depicting its lines in that county); and

(ii) A description of each line (in the case of Class III carriers only the line description is required);

(2) Post a copy of the newspaper notice:

(i) In each agency station or terminal on each line in categories 1 through 3 and on each line which has been revised; or

(ii) If there is no agency station on the line, at any station through which business for the line is received or forwarded;

(3) Furnish, at reasonable cost, upon request of any interested person, a copy of its system diagram map (either color-coded or black-and-white) or narrative; and

(4) Notify interested persons of this availability through its publication in the appropriate county newspaper.

(d) Each carrier required to file a system diagram map or narrative shall file with the Board an affidavit of service and publication stating the date each was accomplished. A copy of each newspaper notice published shall be attached to the affidavit. The effective date of the filing of the initial system diagram map or narrative and each amended system diagram map or narrative as required in paragraph (a) of this section shall be deemed to be the date upon which the Board receives the affidavit required in this paragraph.

(e) The Board shall require republication of the notice if it is found to be inadequate.

racy of its system diagram map and the accompanying line descriptions or narrative. Amendments may be filed at any time and will be subject to all carrier filing and publication requirements of § 1152.12.

(b) By March 24, 1997, each carrier shall file with the Board a revised and updated color-coded system diagram map and line descriptions or narrative which shall be subject to the filing and publication requirements of § 1152.12. Thereafter, each carrier shall file amendments as line designations change and update its map or narrative, as appropriate. Also, each carrier shall file an updated or amended map or narrative upon order of the Board. Each new rail carrier shall comply with the requirements of this subsection within 60 days after it becomes a carrier.

(c) The Board will reject an abandonment or discontinuance application filed by a rail carrier if any part of the application includes a line that has not been identified and described, by amendment or otherwise, on the carrier's system diagram map or narrative, as appropriate, as a line in category 1 (§ 1152.10(b)(1)) for at least 60 days.

§ 1152.14 Availability of data.

Each carrier shall provide to the designated state agency, upon request, information concerning the net liquidation value (as defined in § 1152.34(c)) of any line placed in category 1 (§ 1152.10(b)(1)) on its system diagram map or narrative together with a description of such a line and any appurtenant facilities and of their condition.

§ 1152.15 Reservation of jurisdiction.

49 U.S.C. 10903(c)(1) authorizes the Board, at its discretion, to provide for designation of lines as "potentially subject to abandonment" under standards which vary by region of the United States, by railroad, or by group of railroads. The Board expressly reserves the right to adopt such varying standards in the future.
