 - (ii) A statement that the individual signing the application does not have a disqualifying criminal offense.
 - (iii) A statement informing the individual that Federal regulations under 49 CFR 1542.209 (l) impose a continuing obligation to disclose to the airport operator within 24 hours if he or she is convicted of any disqualifying criminal offense that occurs while he or she has unescorted access authority. After February 17, 2002, the airport operator may use statements that have already been printed referring to 14 CFR 107.209 until stocks of such statements are used up.
 - (iv) A statement reading, “The information I have provided on this applica-

tion is true, complete, and correct to the best of my knowledge and belief and is provided in good faith. I understand that a knowing and willful false statement on this application can be punished by fine or imprisonment or both. (See section 1001 of Title 18 United States Code.)”

(vi) A line for the individual’s signature and date of signature.

(2) Each individual must complete and sign the application prior to submitting his or her fingerprints.

(3) The airport operator must verify the identity of the individual through two forms of identification prior to fingerprinting, and ensure that the printed name on the fingerprint application is legible. At least one of the two forms of identification must have been issued by a government authority, and at least one must include a photo.

(4) The airport operator must advise the individual that:

(i) A copy of the criminal record received from the FBI will be provided to the individual, if requested by the individual in writing; and

(ii) The ASC is the individual’s point of contact if he or she has questions about the results of the CHRC.

(5) The airport operator must collect, control, and process one set of legible and classifiable fingerprints under direct observation of the airport operator or a law enforcement officer.

(6) Fingerprints may be obtained and processed electronically, or recorded on fingerprint cards approved by the FBI and distributed by TSA for that purpose.

(7) The fingerprint submission must be forwarded to TSA in the manner specified by TSA.

(f) *Fingerprinting fees.* Airport operators must pay for all fingerprints in a form and manner approved by TSA. The payment must be made at the designated rate (available from the local TSA security office) for each set of fingerprints submitted. Information about payment options is available through the designated TSA headquarters point of contact. Individual personal checks are not acceptable.

(g) *Determination of arrest status.* (1) When a CHRC on an individual seeking

unescorted access authority discloses an arrest for any disqualifying criminal offense listed in paragraph (d) of this section without indicating a disposition, the airport operator must determine, after investigation, that the arrest did not result in a disqualifying offense before granting that authority. If there is no disposition, or if the disposition did not result in a conviction or in a finding of not guilty by reason of insanity of one of the offenses listed in paragraph (d) of this section, the individual is not disqualified under this section.

(2) When a CHRC on an individual with unescorted access authority discloses an arrest for any disqualifying criminal offense without indicating a disposition, the airport operator must suspend the individual's unescorted access authority not later than 45 days after obtaining the CHRC unless the airport operator determines, after investigation, that the arrest did not result in a disqualifying criminal offense. If there is no disposition, or if the disposition did not result in a conviction or in a finding of not guilty by reason of insanity of one of the offenses listed in paragraph (d) of this section, the individual is not disqualified under this section.

(3) The airport operator may only make the determinations required in paragraphs (g)(1) and (g)(2) of this section for individuals for whom it is issuing, or has issued, unescorted access authority, and who are not covered by a certification from an aircraft operator under paragraph (n) of this section. The airport operator may not make determinations for individuals described in § 1544.229 of this chapter.

(h) *Correction of FBI records and notification of disqualification.* (1) Before making a final decision to deny unescorted access authority to an individual described in paragraph (b) of this section, the airport operator must advise him or her that the FBI criminal record discloses information that would disqualify him or her from receiving or retaining unescorted access authority and provide the individual with a copy of the FBI record if he or she requests it.

(2) The airport operator must notify an individual that a final decision has

been made to grant or deny unescorted access authority.

(3) Immediately following the suspension of unescorted access authority of an individual, the airport operator must advise him or her that the FBI criminal record discloses information that disqualifies him or her from retaining unescorted access authority and provide the individual with a copy of the FBI record if he or she requests it.

(i) *Corrective action by the individual.* The individual may contact the local jurisdiction responsible for the information and the FBI to complete or correct the information contained in his or her record, subject to the following conditions—

(1) For an individual seeking unescorted access authority on or after December 6, 2001, the following applies:

(i) Within 30 days after being advised that the criminal record received from the FBI discloses a disqualifying criminal offense, the individual must notify the airport operator in writing of his or her intent to correct any information he or she believes to be inaccurate. The airport operator must obtain a copy, or accept a copy from the individual, of the revised FBI record, or a certified true copy of the information from the appropriate court, prior to granting unescorted access authority.

(ii) If no notification, as described in paragraph (h)(1) of this section, is received within 30 days, the airport operator may make a final determination to deny unescorted access authority.

(2) For an individual with unescorted access authority before December 6, 2001, the following applies: Within 30 days after being advised of suspension because the criminal record received from the FBI discloses a disqualifying criminal offense, the individual must notify the airport operator in writing of his or her intent to correct any information he or she believes to be inaccurate. The airport operator must obtain a copy, or accept a copy from the individual, of the revised FBI record, or a certified true copy of the information from the appropriate court, prior to reinstating unescorted access authority.

(j) *Limits on dissemination of results.* Criminal record information provided by the FBI may be used only to carry

out this section and §1544.229 of this chapter. No person may disseminate the results of a CHRC to anyone other than:

(1) The individual to whom the record pertains, or that individual's authorized representative.

(2) Officials of other airport operators who are determining whether to grant unescorted access to the individual under this part.

(3) Aircraft operators who are determining whether to grant unescorted access to the individual or authorize the individual to perform screening functions under part 1544 of this chapter.

(4) Others designated by TSA.

(k) *Recordkeeping.* The airport operator must maintain the following information:

(1) *Investigations conducted before December 6, 2001.* The airport operator must maintain and control the access or employment history investigation files, including the criminal history records results portion, or the appropriate certifications, for investigations conducted before December 6, 2001.

(2) *Fingerprint application process on or after December 6, 2001.* Except when the airport operator has received a certification under paragraph (n) of this section, the airport operator must physically maintain, control, and, as appropriate, destroy the fingerprint application and the criminal record. Only direct airport operator employees may carry out the responsibility for maintaining, controlling, and destroying criminal records.

(3) *Certification on or after December 6, 2001.* The airport operator must maintain the certifications provided under paragraph (n) of this section.

(4) *Protection of records—all investigations.* The records required by this section must be maintained in a manner that is acceptable to TSA and in a manner that protects the confidentiality of the individual.

(5) *Duration—all investigations.* The records identified in this section with regard to an individual must be maintained until 180 days after the termination of the individual's unescorted access authority. When files are no longer maintained, the criminal record must be destroyed.

(l) *Continuing responsibilities.* (1) Each individual with unescorted access authority on December 6, 2001, who had a disqualifying criminal offense in paragraph (d) of this section on or after December 6, 1991, must, by January 7, 2002, report the conviction to the airport operator and surrender the SIDA access medium to the issuer.

(2) Each individual with unescorted access authority who has a disqualifying criminal offense must report the offense to the airport operator and surrender the SIDA access medium to the issuer within 24 hours of the conviction or the finding of not guilty by reason of insanity.

(3) If information becomes available to the airport operator or the airport user indicating that an individual with unescorted access authority has a disqualifying criminal offense, the airport operator must determine the status of the conviction. If a disqualifying offense is confirmed the airport operator must immediately revoke any unescorted access authority.

(m) *Exceptions.* Notwithstanding the requirements of this section, an airport operator must authorize the following individuals to have unescorted access authority:

(1) An employee of the Federal, state, or local government (including a law enforcement officer) who, as a condition of employment, has been subjected to an employment investigation that includes a criminal records check.

(2) Notwithstanding the requirements of this section, an airport operator may authorize the following individuals to have unescorted access authority:

(i) An individual who has been continuously employed in a position requiring unescorted access authority by another airport operator, airport user, or aircraft operator, or contractor to such an entity, provided the grant for his or her unescorted access authority was based upon a fingerprint-based CHRC through TSA or FAA.

(ii) An individual who has been continuously employed by an aircraft operator or aircraft operator contractor, in a position with authority to perform screening functions, provided the grant for his or her authority to perform screening functions was based upon a

§ 1542.211

fingerprint-based CHRC through TSA or FAA.

(n) *Certifications by aircraft operators.* An airport operator is in compliance with its obligation under paragraph (b) or (c) of this section when the airport operator accepts, for each individual seeking unescorted access authority, certification from an aircraft operator subject to part 1544 of this chapter indicating it has complied with §1544.229 of this chapter for the aircraft operator's employees and contractors seeking unescorted access authority. If the airport operator accepts a certification from the aircraft operator, the airport operator may not require the aircraft operator to provide a copy of the CHRC.

(o) *Airport operator responsibility.* The airport operator must—

(1) Designate the ASC, in the security program, or a direct employee if the ASC is not a direct employee, to be responsible for maintaining, controlling, and destroying the criminal record files when their maintenance is no longer required by paragraph (k) of this section.

(2) Designate the ASC, in the security program, to serve as the contact to receive notification from individuals applying for unescorted access authority of their intent to seek correction of their FBI criminal record.

(3) Audit the employment history investigations performed by the airport operator in accordance with this section and 14 CFR 107.31 in effect prior to November 14, 2001 (see 14 CFR Parts 60 through 139 revised as of January 1, 2001), and those investigations conducted by the airport users who provided certification to the airport operator. The audit program must be set forth in the airport security program.

(p) *Airport user responsibility.* (1) The airport user must report to the airport operator information, as it becomes available, that indicates an individual with unescorted access authority may have a disqualifying criminal offense.

(2) The airport user must maintain and control, in compliance with paragraph (k) of this section, the employment history investigation files for investigations conducted before December 6, 2001, unless the airport operator

49 CFR Ch. XII (10–1–10 Edition)

decides to maintain and control the employment history investigation file.

(3) The airport user must provide the airport operator with either the name or title of the individual acting as custodian of the files described in this paragraph (p), the address of the location where the files are maintained, and the phone number of that location. The airport user must provide the airport operator and TSA with access to these files.

§ 1542.211 Identification systems.

(a) *Personnel identification system.* The personnel identification system under §§ 1542.201(b)(3) and 1542.205(b)(1) must include the following:

(1) Personnel identification media that—

(i) Convey a full-face image, full name, employer, and identification number of the individual to whom the identification medium is issued;

(ii) Indicate clearly the scope of the individual's access and movement privileges;

(iii) Indicate clearly an expiration date; and

(iv) Are of sufficient size and appearance as to be readily observable for challenge purposes.

(2) Procedures to ensure that each individual in the secured area or SIDA continuously displays the identification medium issued to that individual on the outermost garment above waist level, or is under escort.

(3) Procedures to ensure accountability through the following:

(i) Retrieving expired identification media and media of persons who no longer have unescorted access authority.

(ii) Reporting lost or stolen identification media.

(iii) Securing unissued identification media stock and supplies.

(iv) Auditing the system at a minimum of once a year or sooner, as necessary, to ensure the integrity and accountability of all identification media.

(v) As specified in the security program, revalidate the identification system or reissue identification media if a
