Transportation Security Administration, DHS

§ 1542.103

(c) After July 17, 2003, no airport operator may use, nor may it designate any person as, an ASC unless that individual has completed subject matter training, as specified in its security program, to prepare the individual to assume the duties of the position. The airport operator must maintain ASC training documentation until at least 180 days after the withdrawal of an individual’s designation as an ASC.

(d) An individual’s satisfactory completion of initial ASC training required under paragraph (c) of this section satisfies that requirement for all future ASC designations for that individual, except for site specific information, unless there has been a two or more year break in service as an active and designated ASC.

§ 1542.5 Inspection authority.

(a) Each airport operator must allow TSA, at any time or place, to make any inspections or tests, including copying records, to determine compliance of an airport operator, aircraft operator, foreign air carrier, indirect air carrier, or other airport tenants with—

(1) This subchapter and any security program under this subchapter, and part 1520 of this chapter; and

(2) 49 U.S.C. Subtitle VII, as amended.

(b) At the request of TSA, each airport operator must provide evidence of compliance with this part and its airport security program, including copies of records.

(c) TSA may enter and be present within secured areas, AOA’s, and SIDA’s without access media or identification media issued or approved by an airport operator or aircraft operator, to inspect an aircraft operator operating under a security program under part 1544 of this chapter, or a foreign air carrier operating under a security program under part 1546 of this chapter.

Subpart B—Airport Security Program

§ 1542.101 General requirements.

(a) No person may operate an airport subject to §1542.103 unless it adopts and carries out a security program that—

(1) Provides for the safety and security of persons and property on an aircraft operating in air transportation or intrastate air transportation against an act of criminal violence, aircraft piracy, and the introduction of an unauthorized weapon, explosive, or incendiary onto an aircraft;

(2) Is in writing and is signed by the airport operator;

(3) Includes the applicable items listed in §1542.103;

(4) Includes an index organized in the same subject area sequence as §1542.103; and

(5) Has been approved by TSA.

(b) Each airport operator subject to §1542.103 must maintain one current and complete copy of its security program and provide a copy to TSA upon request.

(c) Each airport operator subject to §1542.103 must—

(1) Restrict the distribution, disclosure, and availability of sensitive security information (SSI), as defined in part 1520 of this chapter, to persons with a need to know; and

(2) Refer all requests for SSI by other persons to TSA.

§ 1542.103 Content.

(a) Complete program. Except as otherwise approved by TSA, each airport operator regularly serving operations of an aircraft operator or foreign air carrier described in §1544.101(a)(1) or
