

(b) *Retention standing order.* For each vacancy to be filled, the agency shall place qualified individuals in group and subgroup order in accordance with part 351 of this chapter. In making a selection, an agency may not pass over an individual in group I to select from group II and, within a group, may not pass over an individual in a higher subgroup to select from a lower subgroup. Within a subgroup, an agency may select an individual without regard to order of retention standing. A person has no greater priority for the grade or position from which separated than any other person on the list who is qualified for the vacancy. An agency may make an exception to this selection order only in accordance with paragraph (d) of this section.

(c)(1) *Rating and ranking.* For each vacancy to be filled, the agency rates qualified individuals according to their job experience and education. To do this, an agency shall develop job-related evaluation procedures capable of distinguishing differences in qualifications measured, which shall be applied in a fair and consistent manner. Based on these procedures, the agency shall assign qualified individuals a numerical score of at least 70 on a scale of 100. The agency shall grant 5 additional points to preference eligibles under section 2108(3)(A) and (B) of title 5, United States Code, and 10 additional points to preference eligibles under section 2108(3) (C) through (G) of that title.

(2) Individuals with an eligible numerical score shall be ranked in the following order:

(i) Preference eligibles having a compensable service-connected disability of 10 percent or more in the order of their augmented ratings, unless the position to be filled is a professional position at and above the GS-9 level, or equivalent; and

(ii) All other qualified candidates in the order of their augmented ratings. At each score, qualified candidates eligible for 10-point preference will be entered ahead of all other eligibles, and those eligible for 5-point preference will be entered ahead of those not eligible for veteran preference.

(3) An agency must make its selection from not more than the highest

three candidates available and may pass over a preference eligible to select a nonpreference eligible only as an exception under paragraph (d) of this section.

(d) *Exceptions.* An agency may make an exception to this subpart and appoint an individual who is not on the RPL or has lower standing than others on the RPL. The exception may be granted only when necessary to obtain an employee for duties that cannot be taken over without undue interruption (as defined in §351.203 of this chapter) to the agency by an individual who is on the RPL or has higher standing than the one appointed. The agency shall notify, in writing, each individual on the RPL who is adversely affected by an appointment under this paragraph of the reasons for the exception and of the right of appeal to the Merit Systems Protection Board.
