Employees are responsible for self-development, for successfully completing and applying authorized training, and for fulfilling continued service agreements. § 410.304 Funding training programs.

Section 4112 of title 5, United States Code, provides for agencies paying the costs of their training programs and plans from applicable appropriations or from other funds available. Training costs associated with program accomplishment may be funded by appropriations applicable to that program area. In addition, section 4109(a)(2) of title 5, United States Code, provides authority for agencies and employees to share the expenses of training.

§ 410.305 Establishing and using inter-agency training.

Executive departments, independent establishments, Government corporations subject to chapter 91 of title 31, the Library of Congress, and the Government Printing office may provide or share training programs developed for its employees of other agencies under section 4120 of title 5, United States Code, when this would result in better training, improved service, or savings to the Government. Section 302(d) of Executive Order 11348 allows agencies excluded from section 4102 of title 5, United States Code, to also receive interagency training when this would result in better training, improved service, or savings to the Government. Section 201(e) of Executive Order 11348 provides for the Office of Personnel Management to coordinate interagency training conducted by and for agencies (including agencies and portions of agencies excepted by section 4102(a) of Title 5, United States Code).

(b) Persons on Intergovernmental Personnel Act mobility assignments may be assigned to training if that training is in the interest of the Government.
