terminate effective on the first day of the month after the marriage to the current spouse ends, unless—

(i) The retiree elects, within 2 years after a divorce terminates the marriage, to continue the reduction to provide for a former spouse annuity; or

(ii) A qualifying court order requires the retiree to provide a former spouse annuity.

(c)(1) Qualifying court orders prevent payment of current spouse annuities to the extent necessary to comply with the court order and § 831.641.

(2) If an election under this section causes the total of all current and former spouse annuities provided by a qualifying court order or elected under § 831.612, § 831.632, or this section to exceed the maximum survivor annuity permitted under § 831.641, OPM will accept the election but will pay the portion in excess of the maximum only when permitted by § 831.641(c).

(d) The amount of the reduction to provide a current spouse annuity under this section equals 2 1/2 percent of the first $3600 of the designated survivor base plus 10 percent of the portion of the designated survivor base which exceeds $3600.

§ 831.632 Post-retirement election of fully reduced annuity or partially reduced annuity to provide a former spouse annuity.

(a)(1) Except as provided in paragraphs (b) and (c) of this section, when the marriage of a retiree who retired on or after May 7, 1985, terminates after retirement, he or she may elect in writing a fully reduced annuity or a partially reduced annuity to provide a former spouse annuity. Such an election must be filed with OPM within 2 years after the retiree’s marriage to the former spouse terminates.

(2) Except as provided in paragraphs (b) and (c) of this section, a retiree who retired on or after May 7, 1985, and before February 27, 1986, and whose marriage terminated before May 7, 1985, may elect in writing a fully reduced annuity or a partially reduced annuity to provide a former spouse annuity. Such an election must be made no later than February 27, 1988.

(b)(1) Qualifying court orders prevent payment of former spouse annuities to the extent necessary to comply with the court order and § 831.641.

(2) A retiree who elects a fully or partially reduced annuity to provide a former spouse annuity may not elect to provide a former spouse annuity in an amount that either—

(i) Is smaller than the amount required by a qualifying court order; or

(ii) Would cause the sum of all current and former spouse annuities based on a retiree’s elections under §§ 831.611, 831.612, 831.631 and this section to exceed 55 percent of the rate of the retiree’s self-only annuity if the retiree’s retirement was based on a separation from a position under CSRS on or after October 11, 1962, or 50 percent of the rate of the retiree’s self-only annuity if the retiree’s retirement was based on a separation from a position under CSRS before October 11, 1962.

(3) An election under this section is void—

(i) In the case of a married retiree, if the current spouse does not consent to the election on a form as described in § 831.614(c) and spousal consent is not waived by OPM in accordance with § 831.618; or

(ii) To the extent that it provides a former spouse annuity for the spouse who was married to the retiree at the time of retirement in an amount that is inconsistent with any joint designation or waiver made at the time of retirement under § 831.611 (a)(1) or (a)(2); or

(iii) In the case of an election under paragraph (a)(2) of this section, to the...
§ 831.641 Division of a survivor annuity.

(a) Except as provided in §§ 831.682 and 831.683, the maximum combined total of all current and former spouse annuities (not including any benefits based on an election of an insurable interest annuity) payable based on the service of a former employee or Member equals 55 percent (or 50 percent if based on a separation before October 11, 1962) of the rate of the self-only annuity that otherwise would have been paid to the employee, Member, or retiree.

(b) By using the elections available under this subpart or to comply with a court order under subpart Q, a survivor annuity may be divided into a combination of former spouse annuities and a current spouse annuity so long as the aggregate total of current and former spouse annuities does not exceed the maximum limitation in paragraph (a) of this section.

(c) Upon termination of former spouse annuity payments because of death or remarriage of the former spouse, or by operation of a court order, the current spouse will be entitled to a current spouse annuity or an increased current spouse annuity if—

(1) The employee or Member died while employed in a position covered under CSRS; or

(2) The current spouse was married to the employee or Member continuously from the time of retirement and did not consent to an election not to provide a current spouse annuity; or

(3) The current spouse married a retiree after retirement and the retiree elected, under § 831.631, to provide a current spouse annuity for that spouse.
